

The German Shorthaired Pointer Club of Michigan

MEMBERSHIP APPLICATION

Cost per year: \$30.00

Our Club was established to:

Encourage and promote the breeding of pure-bred German Shorthaired Pointers and to do everything possible to bring their natural qualities to perfection. Urge members and breeders to accept the Standard of the breed, as approved by the American Kennel Club, as the only Standard of Excellence by which German Shorthaired Pointers shall be judged. To do our best to protect and advance the interests of the breed by encouraging sportsman-like competition at Dog Shows, Field Trials, Hunting Tests and Obedience Trials.

We invite your inquiries regarding our versatile dogs. Our dogs excel in conformation, hunting, Hunting Tests, Field Trials and Obedience. To quote from the A.K.C. publication: "It is indeed rare to find wrapped up in one package a staunchly pointing bird dog, a keen-nosed night trailer, a proven duck dog, a natural retriever on land and water, pleasing conformation and markings, great powers of endurance and an intelligent family watchdog and companion. Indicative of this dog's versatility is its successful work on pheasants, quail, grouse, duck, partridge, jacksnipe, woodcock and Rabbits. With a water-repellent coat and webbed feet, it retrieves well from rough terrain or icy water."

Our Club holds monthly meetings on the third Wednesday of each month at which various topics of interest to the Club and its members are discussed; including up-coming events. A monthly newsletter is published to communicate Club activities. We sponsor spring and Fall Field Trials and Hunting Tests. A Fall Specialty Show, "Fun" Field Trials and Hunting Tests are also promoted; in addition to other activities geared to promoting the German Shorthaired Pointer breed.
