

DATE	TIME	SUBJECT	NOTES
5-29-86	10p	16 weekly ADLS	Independent in all ADL's at lating. Skin in good shape & present time.
5-29-86	10p	Attorney	Staff reported to me that Jane's daughter and her attorney are requesting information on Jane. This has been reported to Roger, who has been keeping Jane and Roger states to not give them any info until they have spoken to Jane's attorney. J. Men Returned from his office where she had chemotherapy. Appears fine & present. J. Men 6-1-86 4:45h incident answered a letter for Mary Men & she said "the way Jane felt out of bed before". Jane answered for her & said "yes I did". She says she got up to go to bathroom & her feet slipped on the carpet & she landed on her back. Says she isn't hurt. But is not red or swollen. Last nurse known about this if Mary Men didn't mention it. Jane seemed reluctant to discuss at first. Explained that she must tell us these things. 6-1-86 1pm US BP 120/68 P 80 R 20 Ambulating fine today. No cross on full. Brother's wife notified.
