P

OCT 27 1986.

St obviously weaker
wt 6 71 lbs, at 21/2

St here in death strange.
not eating well

St connected to: time/glass screen; Perfectly aware of
differences in daughter; Brother Roger knows James
has Co of Camerose Roger & Jim have turned
in legal affairs to her their house. St still
she must be now anything to be in daughter (Mary Jane)
of that noted.

St of these things now but is considering repeat
series of therapy mistakes in things. want
to think the over.

St clear that she doesn't want ERN/Roy
in. St ~~is~~ wants a DATE of state
