86	4 1/2 P	Clinton Bed	Called PHP - informed me that Medicare is primary payor - Res. is not receiving Medicare Part A at this time, therefore they will not pay for Clinton Bed. Called family members Mrs. Roger Krause, the family will be responsible for the Clinton Bed. Support Systems International, Inc. Called and Bed ordered.
4/30	T		Bed will be delivered. 9:45 (a) states is comfortable & comfortable. Complained that the bed was shaking a little but Mary at first thought she should like it because it will be so comfortable. Not a sleep faced & fully rested of previous night. Not a headache. To talk to her on side - verbally.
86	4 30	Discussion	Jane re: status (approaching death) and whether there was anything we could do for her. Stated she was not afraid of dying, that she believed in an after-life. She did state that she would enjoy some pop, and that coke was her favorite. She stated that perhaps she should have diet coke, not regular due to her high blood sugar. Inform staff of her desire for coke - they have already been giving her some. J. Menard DNS Sister in law, Mrs. Krause has stated she will bring some coke tomorrow. J. Menard DNS
6	5 00 P	Coke	Bring some coke tomorrow. J. Menard DNS
6	9 pm	Status	T. 98.6 (a) stayed in bed all PM. Trying to keep off back because of decubitis on (L) buttocks. Refused any supper. Did take almost full en. Ensure this evening. Drowsy off and on. Drifts in and out of disorientation & confusion. Very weak. Color appears to be becoming jaundiced. J. Shyne RN
6a	Status		weak, cooperative, alert, oral care done, placed a bed turned 90° during noc. T 96.8 P 96 R 32 S Shyne RN
