The "RECYCLE 4 DISABILITY" section of the web site makes it possible for the community to donate used good of all kinds, online, to the people in the community, directly.

All you have to do is send an e-mail to: dda1mnusa@aol.com and your item or need for an item will be posted online.

The "SERVICES EXCHANGE" is a way for disabled, senior and low income people to barter with each other to supplement the services they get from other resources.

It can, for example, help people stay in their homes, or open new options by skills resources, for work and leisure. Using our skills helps us all feel needed and valued.

The "PETS EXCHANGE" makes free adoption of pets available and possible, by direct contact between owners and people wanting to adopt.

This web site is a service provided by Diabetics/Disabled Anonymous for Seniors, the Disabled and Low Income Community Members to facilitate ACHIEVEMENT OF SELF EMPOWERMENT WITH THIS ONLINE INFORMATION SERVICE:
