

2004 Budget Client Installation

1. From your desktop, double click on the “My Computer” icon.
2. Double click on the “P” drive (or applicable CIA on JQH Server drive)
3. Double click on the Budget2003 Folder.
4. Double click on the JQH_04_Budget_Client_Install.exe file. This will begin a Wyse installation.
5. From the Welcome screen, press the Next button (a). This will begin the installation of the updated files.

6. Once the installation is complete, you will be given a screen that tells you that the program was installed successfully and asked to press the Finish button to finalize the installation. Press the Finish button.
7. You will now have a CIA Financial Planning icon that will be located on your desktop. This will be the icon that is used to access both the Forecast and Budget software. (shown below)
