INTERNATIONAL RULES GOVERNING THE GAME OF IN-LINE HOCKEY

SECTION FOUR - PENALTIES

Rule 401 Penalties

- (a) Penalties shall be actual playing time and shall be divided into the following classes:
 - 1.) Minor Penalties
 - 2.) Bench Minor Penalties
 - 3.) Major Penalties
 - 4.) Misconduct Penalties
 - 5.) Match Penalties
 - 6.) Penalty Shot
- (b) When play is not actually in progress and an offense is committed by any player or Team Official, the same penalty shall apply as though play were actually in progress.

Rule 402 Minor Penalties

- NEW** (a) For a "MINOR PENALTY" the offending player, other than a goalkeeper, shall be ruled off the playing surface for **one and one half** minutes, during which time no substitute shall be permitted.

If running time is being played and a minor or bench minor penalty terminates, allowing the team to have an additional player on the playing surface, during a stoppage of play, the player so penalized shall remain in the penalty bench until the ensuing face-off is conducted.

- (b) For a "BENCH MINOR PENALTY" one player of the penalized team shall be ruled off the playing surface for one and one half minutes, during which time no substitute shall be permitted. Any non-penalized player, other than a goalkeeper, may be designated to serve the penalty by the Coach or Manager and such player shall immediately serve the penalty.
- (c) If the opposing team scores a goal while a team is shorthanded by one or more minor or bench minor penalties, the first of such penalties shall automatically terminate.

"Shorthanded" means that the team must be below the numerical strength of its opponents on the playing surface at the time the goal is scored. The minor or bench minor which terminates automatically is the one which causes the

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

team to be "shorthanded". Thus, if an equal number of players from each team are serving an equal number of minor penalties, neither team is "shorthanded".

This rule shall also apply when a goal is scored on a penalty shot or an awarded goal.

- (d) When the minor penalties of two players of the same team terminate at the same time, the Captain of that team shall designate to the Referee which of such players shall return to the playing surface first and the Referee shall instruct the Penalty Timekeeper accordingly.
- (e) When a player receives a major penalty and a minor penalty at the same time, the major penalty shall be served first by the penalized player except if the major penalties are coincident, in which case the minor penalty shall be served first.
- (f) When coincident minor penalties are assessed to players of both teams, the penalized players shall take their place on the penalty bench and such players shall not leave the penalty bench until the first stoppage of play following the expiration of their respective penalties. Immediate substitutions shall be made for an equal number of minor penalties or coincident minor penalties of equal duration to each team so penalized and the penalties of the players for whom substitutions have been made shall not be taken into account for the purpose of a delayed penalty.

Rule 403 Major Penalties

- NEW** (a) For the first "MAJOR PENALTY" in any one game, the offending player, other than a goalkeeper, shall be ruled off the playing surface for **four** minutes, during which time no substitute shall be permitted.
- (b) For the second major penalty in the same game, to the same player or goalkeeper, the player shall be assessed a game misconduct penalty in addition to the major penalty. This game misconduct penalty shall be in lieu of any required game misconduct penalty for the major infraction. A player from the offending team shall be placed in the penalty bench immediately to serve the major penalty.
- (c) When coincident major penalties or coincident penalties of equal duration including a major penalty are assessed to players of both teams, the penalized players shall all take their place on the penalty bench and such penalized players shall not leave the penalty bench until the first stoppage of play following the expiration of their respective penalties.

Immediate substitutions shall be made for an equal number of major penalties or coincident penalties of equal duration including a major penalty

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

to each team so penalized and the penalties of the players for which substitutions have been made shall not be taken into account for the purpose of a delayed penalty.

Where it is required to determine which of the penalized players shall be designated to serve the delayed penalty under Rule 408, the penalized team shall have the right to make such designation not in conflict with Rule 402.

- (d) When coincident penalties of unequal duration (each including one major penalty) are assessed to one player of each team, the penalized players shall all take their place on the penalty bench and such penalized players shall not leave the penalty bench until the first stoppage of play following the expiration of their respective penalties.

The penalties which create the disparity in total penalty time shall be served first in the normal manner by the penalized players. Immediate substitution shall be permitted for the major penalties of each player.

Rule 404 Misconduct Penalties

- (a) A "MISCONDUCT PENALTY" involves the removal of a player, other than a goalkeeper, for a period of ten minutes, but another player is permitted to immediately replace a player so removed. A player whose misconduct penalty has expired shall remain in the penalty bench until the next stoppage of play.

Unless immediate substitution is permitted under coincident penalty rules 402 and 403, when a player receives a minor or major penalty and a misconduct, game misconduct or a gross misconduct penalty at the same time, the penalized team shall immediately place an additional non-penalized player, other than a goalkeeper, on the penalty bench and such player may not be changed.

Any violation of this provision shall be treated as illegal substitution under Rule 205.

NEW ***If any player is assessed a second misconduct penalty in the same game, he shall automatically be assessed a game misconduct penalty.***

- (b) A "GAME MISCONDUCT" penalty involves the suspension of a player for the balance of the game, but a substitute is permitted to replace the player so removed.
- (c) A player or Team Official incurring a game misconduct penalty to a player shall be suspended for the next game of that team.

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

The Referee is required to report all game misconduct penalties and all surrounding circumstances to the League Authorities immediately following the Game. The League Authorities shall have full power to impose further penalties.

For all game misconduct penalties regardless of when assessed, a total of ten minutes shall be charged in the records against the offending player.

- (d) A "GROSS MISCONDUCT" penalty involves the suspension of a player or Team Official for the balance of the game, but another player is permitted to replace a player so removed.

The Referee is required to report all gross misconduct penalties and the surrounding circumstances to the League Authorities immediately following the game. The League Authorities shall have full power to impose further penalties.

For all gross misconduct penalties regardless of when assessed, a total of ten minutes shall be charged in the records against the offending player.

- (e) A player who has been assessed a gross misconduct penalty shall be suspended from participating in any games or practices until the case has been dealt with by the League Authorities.

A mandatory hearing shall be held and a decision made relative to any further disciplinary action within 30 days of the incident. If circumstances prevent the League Authorities from conducting the hearing, the suspension shall be automatically terminated after 30 days.

- (f) A Team Official who is assessed a game misconduct or a gross misconduct penalty may not sit near the team bench, nor in any way attempt to direct the play of the team.

Rule 405 Match Penalties

- (a) A "MATCH PENALTY" involves the suspension of a player for the balance of the game and the offending player shall be ordered to the dressing room immediately. Unless immediate substitution is permitted under the coincident penalty rules 403 and 405, the penalized team shall immediately place a non-penalized player, other than a goalkeeper, on the penalty bench to serve the four minute time portion of the penalty and such player may not be changed.

The player shall also serve any additional minor or major penalty assessed to the offending player unless immediate substitution is permitted under coincident penalty rules 402 and 403.

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

The Referee is required to report all match penalties and all surrounding circumstances to the League Authorities immediately following the game. The League Authorities shall have full power to impose further penalties.

For all match penalties, regardless of when assessed, a total of ten minutes shall be charged in the records against the offending player.

- (b) When coincident match penalties have been assessed or when any combination of coincident major and match penalties have been assessed to a player or players of both teams, rule 403 covering major penalties shall be applicable with respect to player substitutions.
- (c) A player who has been assessed a match penalty shall be suspended from participating in any games or practices until the case has been dealt with by the League Authorities.

A mandatory hearing shall be held and a decision made relative to any further disciplinary action within 30 days of the incident. If circumstances prevent the League Authorities from conducting the hearing, the suspension shall be automatically terminated after 30 days.

Rule 406 Penalty Shot

- (a) Any infraction of the rules which calls for a "Penalty Shot" shall be taken as follows:

The Referee shall identify the player entitled to take the shot (as appropriate) and shall then place the puck/ ball on the center face-off spot. The player taking the shot shall, on the whistle of the Referee, play the puck/ ball and shall attempt to score on the goalkeeper. Once the player taking the shot has touched the puck/ ball, it must be kept in motion towards the opponent's goal line and once it is shot, the play shall be considered complete. No goal can be scored on a rebound of any kind and any time the puck/ ball crosses the goal line the shot shall be considered complete.

Only a player designated as a goalkeeper, substitute goalkeeper or temporary goalkeeper may defend against a penalty shot.

- NEW** (b) The goalkeeper must remain in the goal crease until the ***player taking the shot touches the puck*** and in the event of violation of this rule or any foul committed by a goalkeeper the Referee shall allow the shot to be taken and if the shot fails the Referee shall permit the penalty shot to be taken again.

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

The goalkeeper may attempt to stop the shot in any manner except by throwing the stick or any other object, in which case a goal shall be awarded.

- (c) In cases where a penalty shot has been awarded under Rule 609 deliberately displacing the goal post or removing the helmet/face mask during a breakaway, Rule 609 delaying the game, Rule 625 illegal entry into the game, Rule 636 for throwing a stick and under Rule 639 for fouling from behind, the Referee shall designate the player who has been fouled as the player who takes the penalty shot.

In cases where a penalty shot has been awarded under Rule 612 falling on the puck/ ball in the goal crease or Rule 616 picking up the puck/ ball from the goal crease area, the penalty shot shall be taken by a player selected by the Captain of the non-offending team from the players on the playing surface at the time when the foul was committed. Such selection shall be reported to the Referee and cannot be changed.

If by reason of injury the player designated by a Referee to take the penalty shot is unable to do so, the shot may be taken by a player selected by the Captain of the non-offending team from players on the playing surface when the foul was committed. Such selection shall be reported to the Referee and cannot be changed.

- (d) Should the player in respect to whom a penalty shot has been awarded, commit a foul in connection with the same play or circumstances, either before or after the penalty shot has been awarded, the player shall be first permitted to take the shot before being sent to the penalty bench to serve the penalty, except when such a penalty is for a game misconduct, gross misconduct or match penalty in which case the penalty shot shall be taken by a player selected by the Captain of the non-offending team from the players on the playing surface at the time the foul was committed.

If, at the time a penalty shot is awarded, the goalkeeper of the penalized team has been removed from the playing surface for another player, the goalkeeper shall be permitted to return to the playing surface before the penalty shot is taken.

- (e) While the penalty shot is being taken, all players of both teams except those involved with the taking of the penalty shot, must withdraw from the playing surface onto their respective players' bench.
- (f) If, while the penalty shot is being taken, any player of the opposing team shall interfere with or distract the player taking the shot, a goal shall be awarded.
- (g) If the goal is scored during a penalty shot, the puck/ ball shall be faced-off at the center spot. If a goal is not scored, the puck/ ball shall be faced-off at either of the end face-off spots in the zone in which the penalty shot was taken.

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

- (h) Whether or not a goal is scored from a penalty shot, if an infraction for which the penalty shot was awarded was such to incur:
 - 1.) a major, match or misconduct penalty, the penalty shall be assessed in addition to the penalty shot.
 - 2.) a minor or bench minor penalty, a further penalty to the offending player shall not be applied.
- (i) If the foul upon which the penalty shot is based occurs during actual playing time, the penalty shot shall be awarded and taken immediately following the normal stoppage of play.

The time required for the taking of a penalty shot shall not be included in the regular playing time.

Rule 407 Goalkeeper Penalties

- (a) A goalkeeper shall not be sent to the penalty bench for an infraction which incurs a minor, major or misconduct penalty, but instead the penalty shall be served by a teammate who was on the playing surface at the time the infraction was committed. Such player shall be designated by the Coach and shall not be changed.
- (b) When a goalkeeper incurs a game misconduct penalty, the position shall be taken by a teammate, or by a substitute or temporary goalkeeper who is available, and such player shall be allowed the goalkeeper's full equipment.
- (c) When a goalkeeper incurs a match penalty, the position shall be taken by a teammate or a substitute goalkeeper who is available, and such player shall be allowed the goalkeeper's equipment. Such additional penalty shall be served by another member of the team who was on the playing surface at the time the infraction was committed. Such player is to be designated by the Coach through the playing Captain and shall not be changed.
- (d) All penalties assessed to a goalkeeper, regardless of who serves the penalty, or any substitution, shall be charged in the records against the goalkeeper.
- (e) A minor penalty shall be assessed to a goalkeeper who participates in the play in any manner beyond the center line.

Rule 408 Delayed Penalties

NEW (a) ***Except in the last two minutes of play or at anytime during Overtime***, if a **second** player of any team is penalized while **one** player of the same team ***is*** serving penalties, the penalty time of the **second** player shall not commence until the penalty time of ***the player*** already penalized has elapsed. Nevertheless, the **second** player penalized must immediately proceed to the penalty bench and may be replaced by a substitute until such time as the penalty time of the penalized player shall commence.

NEW ***In the last two minutes of play or at anytime during Overtime, the delayed penalty rule applies to the third penalized player of the same team. This rule allows a team to have a minimum of three players including the goalkeeper on the playing surface.***

NEW (b) ***Except in the last two minutes of play or at anytime during Overtime***, when any team shall have **two** players serving penalties at the same time and because of the delayed penalty rule a substitute for the **second** offender is on the playing surface, none of the **two** penalized players on the penalty bench may return to the playing surface until play has been stopped. When the play has been stopped, the player whose full penalty has expired may return to the playing surface.

NEW ***Except in the last two minutes of play or at anytime during Overtime***, the Penalty Timekeeper shall permit the return to the playing surface in the order of expiration of their penalties, of a player or players when by reason of the expiration of their penalties the penalized team is entitled to have more than **four** players on the playing surface.

NEW ***In the last two minutes of play or at anytime during Overtime, the delayed penalty rule applies to the third penalized player of the same team. This rule allows a team to have a minimum of three players on the playing surface.***

(c) In the case of delayed penalties, the penalized players whose penalties have expired shall only be allowed to return to the playing surface when there is a stoppage of play.

When the penalties of two players of the same team shall expire at the same time, the Captain of that team shall designate to the Referee which player shall return to the playing surface first and the Referee shall instruct the Penalty Timekeeper accordingly.

When a major and a minor penalty are assessed at the same time to different players of the same team, the minor penalty shall be recorded as being the first of such penalties.

IIHF OFFICIAL RULE BOOK IN-LINE HOCKEY

Rule 409 Calling of Penalties

- (a) Should an infraction of the rules be committed by a player of the team in possession of the puck/ ball, the Referee shall immediately stop play and assess the penalty(s) to the offending player(s).
- (b) Should an infraction of the rules which call for a minor, bench minor, major or match penalty be committed by a player of a team not in possession of the puck/ ball the Referee shall signify the calling of a delayed penalty by raising the arm and, on completion of the play by the team in possession, shall immediately stop play and assess the penalty to the offending player.

"Completion of the play by the team in possession" in this rule means that the puck/ ball must have come into the possession and control of an opposing player or has been "frozen". This does not mean a rebound off the goalkeeper, the goal or the boards or any accidental contact with the body or equipment of an opposing player.

- (c) The ensuing face-off shall take place at the face-off spot nearest to the location of the puck/ ball when play is stopped unless the stoppage occurs in the Attacking Zone of the player penalized, in which case the face-off shall be conducted at the nearest special face-off spot.
- (d) If the penalty to be assessed is a minor penalty, and a goal is scored on the play by the non-offending team, the minor penalty shall not be assessed, but all other minor, major or match penalties shall be assessed in the normal manner regardless of whether or not a goal is scored.
- (e) If, after the Referee has signaled a penalty, but before play has been stopped the puck/ ball shall enter the goal of the non-offending team as the direct result of the action of a player of that team, the goal shall be allowed and the penalty signaled shall be assessed in the normal manner.
- (f) If the Referee signals an additional minor penalty(s) against a team that is already short-handed because of one or more minor or bench minor penalties, and a goal is scored by the non-offending team before the whistle is blown, the goal shall be allowed, the delayed penalty(s) shall be assessed and the minor penalty being served which caused the team to be short-handed shall terminate automatically.
- (g) Should the same offending player commit other fouls on the same play, either before or after the Referee has stopped play, the offending player shall serve such penalties consecutively.
- (h) All minor and bench minor penalties occurring after a goal has been scored or during the stoppage of play when a penalty shot is being attempted, shall be served in the normal manner under this rule.
