Special Education Links:

<http://seriweb.com>

Special Education Resources on the Internet (SERI) is a collection of Internet accessible information resources of interest to those involved in the fields related to Special Education. This collection exists in order to make on-line Special Education resources more easily and readily available in one location.

<http://www.esmerel.org/misc/special.htm> Esmerel's Collection of Disability Resources. This page is dedicated to special education resources. This list is growing constantly.

http://snow.utoronto.ca/index.php?option=com_frontpage&Itemid=1 SNOW Special Needs Ontario Window. SNOW offers news, resources, commentary and online courses on special education, adaptive technologies, inclusive design, and

web accessibility. SNOW is an educational outreach service of the Adaptive Technology Resource Centre (ATRC) at the University of Toronto.
