

Laboratory Safety Activity

Go to the following link:

<https://www.flinnsci.com/flinn-scientific-laboratory-safety-challenge/vel1580/>

Watch the video. You may have to open it in the Flinn Video Player (underneath where the video should have opened) if it does not open.

As you are watching the video, find as many safety violations that you can. Correlate them with your Flinn Safety Contract information.

Write the violation and the rule it violates. Identify how the violation should be corrected.
