

# HE'S ALIVE !!!

## GARDEN TOMB FOUND EMPTY

This morning, two women went to the grave of Jesus of Nazareth to prepare his body for burial. Jesus had been crucified three days ago after being accused of being a traitor by claiming to be the King of the Jews.

When the women arrived at the garden tomb, the large stone that covered the entrance to the burial chamber had been rolled away. The guards that had been assigned to protect the site from potential grave robbers were dazed and claimed that a great earthquake had occurred and angelic beings had appeared.

The women said they entered the tomb and Jesus' body was not there. Instead, a man told them that Jesus was gone, that he had risen, just as he said he would.

According to his disciples, Jesus was the Messiah, that is, the promised descendant of Abraham who would become the ruler of Israel; but at his trial, Jesus said that his kingdom was not of this world.

Then, the most amazing thing occurred later this morning. Jesus himself appeared to the women who had gone to his tomb and also appeared to some of his disciples, including Simon bar Jonah (alias Peter) and John.

This is the greatest news for all people. Jesus had once met with a prominent Pharisee named Nicodemus and told him that "God so loved the world that he gave His only Son, so that whoever believes in Him will not perish but have everlasting life." Jesus had also proclaimed, "I am the way, the truth and the life, no one comes to the Father but by me". Isn't that great NEWS? Believe (trust, put your faith) in Jesus Christ and be saved from your sin. Today is the day of salvation.

Site of Jesus' burial, now empty! We ask that you try to find Him !!!

## STRANGE EVENTS AT CRUCIFIXION

At the recent crucifixion of Jesus and two local thieves, some very strange events occurred. At noon, the sky turned completely black and later there was a powerful earthquake. Jesus was heard to say "It is finished" just before he died.

As a result of the earthquake, many tombs near Jerusalem were opened. Relatives of those buried in the tombs say their loved ones came back to life and walked into the city today.

Also, in a related story, the temple veil separating the Holy of Holies was torn in two, from the top down, at the time of the earthquake!!
