

Yamato's Message for the Arise Festival Global Peace Walk Movement, August 15, 2013

Healthy Body, Healthy Mind, Healthy Action

Don't Live in Darkness; Walk on the Sunny Side of the Road!

Show How Beautiful Human Beings Can Be!

Hello, All My Friends!

May You Always Share Wonderful Blessings and Beautiful Relationships!

Our Vision of Life Will Never Fade.

This means Blue Mountain Never Moves; always White Clouds Come.

This Globe is Our House and Our Altar.

Someday Our Prayer will Reach the other side of the Universe.

Someday All Living Beings will Bring Back to Life the Knowledge of Mind and The Symbol of Peace.

The Global Peace Walk always Prays for the Future Generations to come, and To Protect Our Land and Life on This Globe.

Na Mu Myo Ho Ren Ge Kyo

One Heaven, Four Oceans: Return The Wonderful Law.

We Bow to Every Buddha;

ALL Wonderful Buddha.

I pray for All Living Beings.
