Interlocking Systems of Arrogance

I. A complex of sins which are the worst failures of mankind and which attack the soul directly
   A. In this complex there is no isolated sin
      1. This is the best synonym for the Old Sin Nature.
      2. There is almost no sin not related to arrogance.
      3. Arrogance is a sin which begins with a thought but by cultivating this arrogance as a thought it ends with total inability to think
      4. Arrogance carried long enough and far enough results in total inability to think and saturation with emotion to the point of permanently or temporarily destroying any ability to think rationally.
      5. The whole purpose of Arrogance is to divorce the individual from reality and it originated in heaven with the fall of Lucifer son of the morning.
      6. Nearly every sin in life has an arrogance connotation.

   B. It is just as easy for a mature believer to enter evil as it is an unbeliever in this complex
   C. It is very easy to get into this complex and also to get out but once in people like it there.
   D. In this complex the mature believer is susceptible to evil he would not otherwise ever considered.
   E. The mature believer will not lose any of his blessings from God in this system but the discipline is incredible leading to the Sin Unto Death if it continues.
   F. Once in the Interlocking System of Arrogance your spiritual growth does not protect you and you are vulnerable to every type of arrogance and sin.
   G. Exit from the Interlocking System of Arrogance is not difficult only requiring rebound, but because people like being in the system and because they have a tendency to exit and fall right back in it is hard to maintain the exit from this system.
   H. How do you know when you are entering into the Interlocking System of Arrogance:
      1. You set aside normal things in life and focus on yourself.
   I. No matter how smart a person is he is never too smart for Arrogance and it is always smarter than he is.
      1. Even a super genius like Satan falls to arrogance.
      2. A dumb arrogant person can always win over a smart arrogant person with FLATTERY.
      3. Blaming another for your personal failures is total arrogance and this is seen clearly in the fall of Adam.
      4. The principle of the reality of the fall of Adam and Ishah was the eating of the fruit of the Tree of the Knowledge of Good and Evil would result in first spiritual death and then physical death and these would manifest through the function of Arrogance.
   J. Arrogance is the way of life under control of Old Sin Nature.
      1. Arrogance is thus stronger than anything in life.
      2. Arrogance is the biggest issue we will ever face and from it stems every concept of sin and from it comes the whole realm of sin as well as all of Human Good.
      3. In addition once involved in this system of arrogance both degeneracy and Evil will also stem from this arrogance.

Ps 25:8-9
v8: The Plan of God depends on the Integrity of God; these together with the essence of God is perfect Divine Good, and Honorable is Jehovah, God the Father & God the Son & God the Holy Spirit; therefore he will cause to teach by discipline the ones inclined to live by the Old Sin Nature producing Sin, Evil and Human Good, in His ways or Modus Operandi.
v9: He guides or leads in the wagon tracks of righteousness (Ps23) the humble believer who avoids the Interlocking systems of Arrogance, through or by means of the Logistical Grace provision of Bible Doctrine from Justice of God and discipline, consequently he teaches through constant repetition the positive believer with humility his road or Path of Bible Doctrine and righteousness.

K. God has provided for us something more powerful than arrogance
   1. Whatever is greater than arrogance must be thought since arrogance is thought
   2. TRUTH in 3 categories is greater than arrogance.
      i. Laws of Divine Establishment for both believers and unbeliever to keep the human race from self destruction.
      ii. The Gospel of Jesus of Nazareth, The Christ to provide the cancelation of eternal
judgment after death

iii. Bible Doctrine to provide for fulfillment of the Plan of God after Salvation Adjustment to the Justice of God

3. If arrogance is to be defeated it must be defeated on the battleground of what you think.

L. All members of the Human Race live in 1 of 2 places either in the Interlocking System of Arrogance or outside of it.

1. If you are out of this system you are out because of 1 or more of 3 reasons:
   a. Organizational Humility
   b. Enforced Humility
   c. Genuine Humility

II. Principles of Arrogance:

A. Arrogance under pressure produces self pity and erroneous evaluation of one’s life.

B. This mental depression from pressure and arrogance can result in prayer which can be “too much oh Lord, take my life”; meaning that the person cannot see life in any perspective and feels totally useless.

C. The first principle of erroneous evaluation of life is: Any time believers give orders to the Lord he has lost perspective in life and moved into blaspheme.

1. Those believers who use imperatives with God are either on solid ground with him and knows it or is on no ground at all and does not know it.

D. The Lord alone from his sovereignty decides when we will die.

1. Everyone will die apart from the rapture and we will die the way he wants us to die under great blessing or great Divine Discipline.
2. Dying will be fun or the greatest nightmare ever to occur in life.
3. The way it goes depends on volition and Bible Doctrine.
4. Our decisions about life and also about the Lord and with regard to Bible Doctrine occur constantly and our decisions must be positive toward the Lord and Bible Doctrine
5. When it comes to dying and things are not pleasant in our dying our decisions are what shapes the manner of our dying with our own volition.
6. We actually decide every day regarding our death and what we think while dying and whether we are in a state of great happiness in thinking or great misery.
7. Review the Interlocking System of Arrogance as a distraction to our thinking in terms of Divine Viewpoint and Metabolized Bible Doctrine from our Stream of Consciousness of the Soul.
8. We cannot order the Lord with regard to anything and he has given us some specifics as to when and where we can make demands on him related to prayer and Faith Rest Drill (4 categories) functions under proper conditions.
9. Dying is NOT one of these.

E. No believer has at the same time to dictate the course of his life to the Lord

1. This is a great problem at various stages of Spiritual Growth and is seen in the person who wants fulfillment NOW.

F. The Logistical Grace rationale + the other basic rationales have deserted the mentality of the one who demands things from the Lord.

1. This always is the case when Interlocking System of Arrogance start to function in our life.
2. No one has ever nor will ever be great enough to be free from the possibilities of entering the Interlocking System of Arrogance.
3. From infant to Ultra Super-Grace believers we are all susceptible to the Interlocking System of Arrogance.
4. A lust for power and authority you don’t have and that the Lord has not given you is the worst situation we can ever enter into.

G. Arrogance and the Interlocking System of Arrogance will cause malfunction in the Faith Rest Drill (4 categories) but devastates and destroys the Faith Rest Drill (4 categories) totally.

1. The Faith Rest Drill (4 categories) must be used consciously or subconsciously every day and we must be very careful if we forget to use it.
2. God will provide all our needs in life whether we are advancing or retrogressing, succeeding in the Spiritual Life or failing in reversionism.

3. Interlocking System of Arrogance cause malfunction of the Faith Rest Drill (4 categories) and destroy reverse concentration.

H. Because of Interlocking System of Arrogance and stages of reversionism believers will fail from the worst reversionist to the greatest Ultra Super-Grace believer in the history of Israel.
   1. It is arrogance which makes any issue of anyone when you fail and comparing self to others whom you may think are better than you.
   2. We don’t really know who or what anyone is ever and there is no comparison justified for anyone.
   3. The Lord decides who is better or worse and in his sovereignty will administer Divine Discipline or blessing in Logistical Grace.
   4. SELF PITY is what drives us to this state.
   5. We must not decide whether we are better than or worse than anyone else.
   6. This is Self Righteousness making an issue of self in self pity.
   7. Making an issue of self is involvement in Interlocking System of Arrogance.

I. Arrogance is not reversionism
   1. Even Ultra Super-Grace believers can be in the Interlocking System of Arrogance without rejection of Bible Doctrine as seen in reversionism.
   2. Interlocking System of Arrogance produces Self Righteousness and self pity and guilt complex and depression and making issue of self subjectively.
   3. Objectively we can make issue of self by use of rebound procedures to recover our status in the Spiritual Life and move on.
   4. There is no objectivity in the soul of the person who has through his own volition has succumbed to the Interlocking System of Arrogance and he is totally subjective.
   5. Interlocking System of Arrogance will produced cowardice in the soul and this will result in irrationality in the Stream of Consciousness of the Soul.
   6. Interlocking System of Arrogance causes us to lose touch with reality and we become out of control.

J. One spiritual victory on does not guarantee victory the next day in another situation.
   1. In the peak of our service to the Lord and our spiritual advance we are most susceptible to our greatest failures.
   2. Being successful in one situation does not mean we will be victorious in our Spiritual Life the next minute.
   3. We can make one decision in the midst of great victory and go rapidly to total defeat.
   4. It is not muscle which makes the Spiritual Life successful but focus and concentration.
   5. Our ability to think and the function in our soul is what counts in the Spiritual Life much more so than the physical ability we might have.
   6. Our mental status is most important and even cowardice can motivate extra physical effort.

K. The 3 stages of the Faith Rest Drill (4 categories) must be a daily function of the believer no matter how far he advances in the Spiritual Life of the Plan of God.
   1. Elijah, Moses, David, Paul all as Ultra Super-Grace failed in their Spiritual Life at some point.
   2. We must use Metabolized Bible Doctrine constantly and daily and must claim promises or make conclusions from Bible Doctrine which comes to mind or think through the rationales using one or all

L. Attaining Spiritual Maturity does not warrant a vacation from the dynamics of the Faith Rest Drill (4 categories)
   1. If you let up on the Faith Rest Drill (4 categories) arrogance will infiltrate and find our weaknesses.
   2. This puts is quickly under the control of the Interlocking System of Arrogance

M. Faith Rest Drill (4 categories) keeps the believer in touch with the reality of the Logistical Grace from God and the Plan of God for our life.
N. It is easy to lose perspective when under pressure and forget the promises and principles of Bible Doctrine so that preoccupation with self excludes Occupation with the Person of Jesus of Nazareth, The Christ.

O. Success or failure of the living or dead is never an issue.
   1. When we are down the worst think we can do is to compare self with others and it is arrogance to compare self with others favorably or unfavorably.
   2. Self Righteousness and self pity are both arrogance.
   3. We must compare self only with Bible Doctrine as our standard.
   4. It is a childhood habit to do this comparing what we are permitted to do with what other children are permitted to do.

P. Motivation, momentum and fulfillment of the Plan of God for our life is the issue
   1. The issue is doctrinal motivation, perceptive momentum, and fulfillment of the Plan of God and purpose for our life.
   2. Entrance into the Interlocking System of Arrogance must be avoided and if we enter through arrogance we must immediately break out and recover.
   3. Interlocking System of Arrogance guarantees the failure of the greatest believers in life and the Ultra Super-Grace believers are not exempt from failure in this status.

Q. WE can quickly move from success in the Spiritual Life to failure, from courage in our function and total cowardice.

R. The Lord will provide Logistical Grace support for us whether we are moving through the Spiritual Life or failing and moving backward into reversionism.

III. Principles of Mass Arrogance in a Nation:
A. The existence of a pivot of mature believers along with Jesus of Nazareth, The Christ controlling Human History overrules the failure of all believers.
   1. No matter how incompetent man is Jesus of Nazareth, The Christ is totally competent and overrules all false motivation in Human History to bring about his will.
   2. With the Dutch and British going into South Africa there was greed as motivation but Jesus of Nazareth, The Christ looked down on this area and converted this to a great establishment system where missionary function flourished converting many many blacks.
   3. God can convert all bungling in history to get his perfect purpose and we must remember this when we try to get onto a soap box and crusade for anything.

B. If the spiritual leaders fail, and IF the pivot of mature believers is still large enough then Jesus of Nazareth, The Christ who controls Human History will preserve the client nation in historical crisis.

C. When Christians succeed it is usually a short period while when they fail it is usually a prolonged period of time.
   1. We as part of the human race with old sin natures are prone to overrate our successes and enter Interlocking System of Arrogance
   2. We are prone to overemphasize what we do and relegate it to success whenever possible.
   3. One success in the life of most Christians will last them all their lives.
   4. We are all in a system (Laws of Divine Establishment) which defines success and when we succeed we then reject the system.
   5. EX Actors succeed in a system where people can freely go to view movies and see them and then they reject the system and turn to communism.
      i. Any person who is a citizen of the United States of America and a communist is an arrogant son of a bitch.
      ii. This is the one country in the world where Laws of Divine Establishment can give a person success and they turn around and reject the system.
   6. Young man marries right out of high school his sweetheart
      i. He gets a movie contract and becomes famous
      ii. Once he becomes famous and the babes with more sophistication start flattering him he immediately dumps his wife and sweetheart.
      iii. Laws of Divine Establishment made him successful and his wife and sweetheart
stood by while he as an arrogant idiot without talent kept trying and once he is successful he drops her.

7. Our system in the military of OER’s is evil and does not promote leadership in any way for officers.
   i. This is still a system and the definition for success is still here but it requires incredibly great patience in order to move ahead and more character.
   ii. People who gut it out in this system will be shocked when they are prepared for war in unusual ways.

8. This also occur in the free enterprise system today with young executives.
   i. The system may be bad but if you hang in there you can still succeed.
   ii. The system today which is the full structure of the Laws of Divine Establishment is still there in:
      a. Marriage
      b. Honorable function of Law Enforcement
      c. Honorable function of military
      d. The norms and standards are still there but it is a difficult time and the person who has character as unbeliever or Bible Doctrine as believer will make it.
      e. It is still in every part of life.

9. The problem is that when people reach the top of their profession they reject the system and this is the form of arrogance which is so very destructive.
   i. When a man becomes king or president or legislator he says he is above the law and they are the ones who should be stringently for the law more than anyone if minus arrogance.
   ii. Arrogance makes all of us have a greater opinion of self than we have a right to.
   iii. The counter balance system is gone because good humor is now replaced by vulgarity.
   iv. Vulgarity is poor humor and is the easiest and requires no ability at all but requires no thinking or ability at all.

10. The unbeliever has only his sense of humor to level himself off in this system.
11. The believer has a whole structure of Bible Doctrine to keep us in line if we are willing to accept and apply it.
   i. This is all that can offset discouragement.

12. The younger generation today is much more prone to discouragement than the World War II generation and there was much more then than now to discourage them.
   i. We have lost track of humor and Laws of Divine Establishment orientation today.
   ii. There is so little Bible Doctrine taught today than ever before.

13. **Real degeneracy is not sexual in nature or murder but degeneracy is MASS arrogance.**
   i. It is the news reporter or news group overestimating their power and setting themselves up as God.
   ii. **It is the mass of people overestimating their worth and value apart from the word of God principles.**

14. **This is what has opened the way for communism to conquer as a principle in this country.**
   i. It is amazing how many people accept it as the right way of life and the difference between communism and socialism is application of violence.
   ii. More and more violence is used erroneously by government to intimidate.
   iii. Just before violence is used you can tell when a government is going to go the way of communism.
   iv. The first confiscate and intimidate by it.
   v. Then when that runs out they use violence.

15. The reason for degeneracy today is mass arrogance and the vanity of people
   i. the racial issues which in the United States of America do not really exist.
ii. We are as good as you when no one is saying they are better than anyone else.
iii. People who think they have a right to wealth someone through great planning and efforts has made.
iv. The idea of the oil companies to share their wealth with the people is insanity and EVIL and it is pure arrogance.
v. If you don’t work what right do you have to demand from anyone or any business a piece of the prophets.
vi. If you won’t work for 10c per hour you have no right to anything.
vii. The downtrodden are the arrogant and are those who won’t work for a living and will steal for a living.
viii. They will be dishonest to make a dollar and this is arrogance.

16. This is in the United States of America Mass Arrogance and you cannot pass laws against arrogance they won’t work.
   i. The only solution is absolute truth in the form of Bible Doctrine in the Stream of Consciousness of the Soul or function under Laws of Divine Establishment
   ii. The only way to get Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is through conversion.
   iii. The answer to mass arrogance is a spiritual solution.

17. God often judges a nation by various forms of disaster and this is a judgment against arrogance.
   i. If the disaster is not a real disaster then the people will not face their arrogance and become humble but will continue to be arrogant.
   ii. Natural disaster and economic disaster can be judgment from God for arrogance such as hurricanes.
   iii. Suppose these are judgment from God to bring people back to sanity and humility.
   iv. The government comes alone and says that they will take up the slack for everything thus there is no sting on judgment and no check on arrogance.
      a. See hurricane sandy 2011 or 2012
      b. See the oil spill off the Padre Island in TX in 1979.
   v. If this is Divine Discipline then this is the way the government interfering with Divine Discipline and the government which interferes is destroyed and the whole nation goes down as well.
   vi. The only way you can see this is from the view of arrogance.

18. We have become a very arrogant people and when people become arrogant as a group then God must remove from the Human Race occasionally any cancer which spreads too far in the form of arrogance.
   i. See Satan.
   ii. Thus nations fall for this reason.
   iii. Many passages say you are stiff-necked people and your arrogance destroys you.

19. When people become arrogant you see acceptance of things anti establishment.
   i. Homosexuality
   ii. Live in vs Marriage.
   iii. Masses of people who are lazy and refuse to work making great demands for government subsidies
   iv. People who have authority become irresponsible because of being intimidated by these groups
   v. This is mass arrogance.

20. The only check on this is the correct function of the Laws of Divine Establishment for the entire population and consistent attitude change for believers regarding Perception, Cognition, Inculcation & Metabolization of Bible Doctrine.
   i. Only Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and function under Laws of Divine Establishment can act as a catharsis as well as insulation against arrogance.
ii. We all have an Old Sin Nature and sooner or later we must face this as an issue.

21. There is no way to crusade against arrogance and as soon as you crusade in any way you enter arrogance.
   i. You cannot pass laws and legislation is not designed to control Interlocking System of Arrogance which is so devastating.
   ii. Solution to and entrance into the Interlocking System of Arrogance is a matter of personal volition and authority orientation for the Human Race in general and Perception, Cognition, Inculcation & Metabolization of Bible Doctrine for the believer specifically.

D. In victory the mature believer used the 3 stages of the Faith Rest Drill (4 categories) and succeeds

E. In failure the mature believer malfunctions under the 3 stages of the Faith Rest Drill (4 categories) and thus fails
   1. The mature believer being the greatest people in use of Faith Rest Drill (4 categories) malfunctions in the Faith Rest Drill (4 categories) because of ARROGANCE.
   2. Even the greatest believers get caught in arrogance.
   3. Victory by the mature believers often enter them into arrogance and they carry this arrogance to the point of defeat and malfunction of the Faith Rest Drill (4 categories).
   4. We are most vulnerable to defeat after great victory and the source of the defeat will be found in the Interlocking System of Arrogance.

F. One man’s failure even the greatest of men does not hinder the Plan of God nor does it destroy the nation.
   1. In the United States of America we are faced with national failure and national arrogance, mass locked in arrogance.
   2. The working man demands greater and greater wages and we see the working man often getting greater wages than the professional and the professional has to sacrifice and prepare and work hard.
   3. When this occurs there is arrogance in the land and the working man overestimates his own worth in terms of Laws of Divine Establishment functions.
   4. When the working man makes more money than a college professor or doctor or engineer or a company or field grade officer there is something wrong.
   5. God’s judgment is then seen in the form of economic depression.
   6. Our government has been holding off depression by false systems so that God is going to have to override the government and bring us all back to our senses.
   7. When a brick layer makes more than the dean of a college there is arrogance in the nation.
   8. Laborers can be very content in doing great work and have great happiness as believer or unbeliever under the Laws of Divine Establishment.
   9. This nation has universal mass arrogance today and is seen in overestimation of one’s worth in the nation.
   10. This is the lawyer or doctor who charges in the tens of thousands for their function when they should be charging much much less.
   11. We have overestimated ourselves almost out of existence and we cannot afford to be kept in this world.
   12. We have overestimated ourselves out of the world markets.
   13. We can count on the fact that we may destroy ourselves with mass arrogance but the world will continue on without us and we will be totally forgotten.
   14. People will use people and drop them immediately from memory and no one will remember the United States of America we are a very young country
   15. We are the greatest and youngest but also the most arrogant and stupid because of our PRIDE.

G. The Plan of God rolls right on despite all the arrogance of any individual mature believer or any nation in mass arrogance.
   1. This is failure to use reverse concentration in any pressure situation.

H. Because of this failure to learn the lesson that divine plans will be executed by divine provision resulting in divine glory the greatest believers will be set aside as the great spiritual
leader.
1. God must thus assign to this type of great spiritual leader Divine Discipline in the form of demotion.
2. This is failure and arrogance
3. Failure of mature believers is often arrogance without Scar Tissue of the Soul and without being in reversionism.
4. Interlocking System of Arrogance do not need Scar Tissue of the Soul to lock us in and blind us as to what we are in the sight of God.
5. This arrogance results in malfunction of the Faith Rest Drill especially in stage 2.
6. There is no reverse concentration thus no use of the doctrinal rationales in faith.
7. No one is indispensable in the service of the Lord and no human being can ever conclude that God cannot get alone without us.
8. The worst conclusion we can make is that the world and God cannot get alone without us.

IV. Entrance #1: Mental Attitude Sins of Pride called Arrogance.
Ps 10:2-4
v2: In arrogance or pride the reversionist hotly pursues the afflicted; let them be trapped in the plots which they have devised.
v3: For the wicked reversionists have boasted over the desires of his Right Lobe of the Stream of Consciousness of the Soul, and criminal arrogance has maligned the LORD.
v4: In the pride of his face the reversionist does not seek him (the Lord); in all his thoughts, "There is no God."
Prov 16:18
v18: Arrogance precedes destruction and before a fall a lifestyle of arrogance (strongest of Satanic attacks)

A. Pride, jealousy, vindictiveness, implacability, hatred, etc
B. It is a Thought we call it PRIDE and it is the basic Mental Attitude Sins originally from Satan
   1. “I will be like the most High God”
   2. This resulted in a Decision.
   3. Decision then resulted in Action
C. Arrogance always is rejection of all authority both legitimate and illegitimate.
D. It is occupation with self to the exclusion of all else causing total divorcement from reality
   1. It includes an overbearing manner and presumptive Self Righteous Arrogance, total subjectivity.
   2. It is a sin causing distraction, loss of concentration thus rejection of truth / Bible Doctrine.
   3. Jealousy is also arrogance but a manifestation of arrogant inconsistency
E. Arrogance is a system of thought and all Mental Attitude Sins have their root in arrogance
   1. Hatred is preoccupation with self so that when someone crosses you, you want to retaliate
   2. It is a corrupter of the soul and the original sin of Satan.
   3. The principle is to be informed by truth but never to be distracted from truth.
   4. The human mind is always susceptible to this area of failure and also entrance into this complex apart from Humility.
F. It divorces people from reality both historical and personal.
   1. It destroys perceptibility, rejects authority results in irrationality and destroys abilities and exploitation of God given talents.
   2. It distorts and rejects and ridicules truth but never accepts truth
   3. It demands flattery and attention for its function.
G. When you use your volition you are held accountable whether you know you are doing wrong or not by the Justice of God because he gave us volition to resolve the angelic conflict.
   1. ALL arrogance is THOUGHT

Is 14:12-14 (Satan’s Thinking)
v12: How have you fallen from heaven oh Shining One (Morning Star or Day Star, the most beautiful creature from God) Oh day star from the morning, on son of the Dawn, you are cut down to the earth, you that once laid low the nations.
v13: Because you said in your SC, “I will ascend into the 3rd heaven (replace God), I will raise my throne above the shining one’s (angels) the stars of God (getting them on his side by persuasion), I will sit on the mount of the assembly (SCH trial area)
in the recesses of the north (he will change God’s Mind).

v14: I will ascend above the heights of the clouds (winning the Appeal Trial) I will make myself like the most high (take the authority from God)

Ez 28:14-17

v14: You (Satan) were the anointed cherib who guards (the Throne room of heaven), I (God) placed you there, you were on the holy mountain of God, you walked in the stones of Fire.

v15: You were blameless perfect in your ways from the day you were created until unrighteousness was found in you.

v16: By the abundance of your slander or gossip or malign, they filled your inner life with violence, your motivation and thought pattern was filled with violence (as terrorists) And you sinned (Is 14:14) therefore I have cast you out as defiled from the mountain of God, I have excluded you oh Guardian Cherib, from the midst of the stones of fire.

v17: Your Right lobe was lifted up (arrogance) because of your beauty, you were corrupted because of your glamour and wisdom or intelligence, I have cast you to the earth, I have placed you before kings so that they may see you.

H. Arrogance is always rejection of the systems of authority setup by God

1. The Laws of Divine Establishment
   i. This is delegated to rulership so that freedom can be perpetuated in the angelic conflict and the Human Race

2. Spiritual Authority
   i. Starting with Bible Doctrine and then going down the line from the Pastor Teacher through the church.
   ii. This gives freedom to choose for Bible Doctrine or not and for Jesus of Nazareth, The Christ or not.
   iii. The environment for spiritual decision is freedom in the nation or the world in general.

3. ARROGANCE rejects freedom of others and also any system of authority both civil and spiritual
   i. Undermines the pastor or the law rejecting the authority there.

4. Social authority also exists
   i. Husband over the wife and children
   ii. Wife over the children
   iii. This is the basis for feeding people into society.

5. Arrogance being Rejection of authority is saying I am more important than God or I am God and thus not subject to authority.

6. This sense of superiority real or imagined distorts the perspective in life and by this causes rejection of authority
   i. Parents, police, teachers, any system of authority
   ii. Wive of husband, children of parents.

7. You reject authority because you react to people in authority
   i. You must view authority as a system not a person carrying authority.
   ii. You must set your self and standards as the basis for your social life and the limited sense of that life.

8. If you are humility oriented and you see a person in authority you must then apply deference to them.
   i. People who have authority are those you need to respect.
   ii. If you are arrogant you react to the person in authority.
   iii. The secret to running an organization with arrogant people is good discipline.
   iv. Discipline is an imposed system of poise which allows the organization to function properly.
   v. You cannot use your authority to become popular, being in authority is NEVER a popularity contest.
   vi. In authority with arrogance people then use power to get people to like them.

9. When this occurs in all areas of life then it is inevitable that the 4 cycles of Divine Discipline must occur.

I. Since arrogance begins as a thought the thoughts related to arrogance are Mental Attitude Sins

1. Bitterness, hatred, vindictiveness, implacability, revenge, maligning, judging, gossip, jealousy, etc, etc.
2. It can be reaction to a person or event who wrongs you in reality or allegedly.
3. If you react to these situations then you are arrogant and you are the loser in life.

J. If you are in a state of arrogance there is no right person for you.
   1. Once arrogance is brought into any aspect of life it will ruin that life.

K. The major cause of crime is arrogance.
   1. The major factor of problems in life is ARROGANCE.

L. Without truth for the content of though the mind of the person cannot run effectively.
   1. Arrogance is corrupter of the soul and distorser of truth.
   2. Once you reject any form of truth in the Laws of Divine Establishment, gospel of Jesus of Nazareth, The Christ or Bible Doctrine, this is like pouring sugar into the gasoline of a car.
   3. Liberalism, socialism, greatest good for greatest number, communism, man by his efforts seeking to solve his own problems are all sugar for the mind.
   4. False thinking is very bad for the soul and arrogance always produces this false thinking.

   12. The believer in arrogance rejects truths of doctrine such as Eternal Security and assumes his sins are greater than the Plan of God.
   13. This believer succumbs to pressure of adversities and assumes his sufferings are greater than the Plan of God.
   14. He assumes that his particular Modus Operandi in spirituality are the real thing and that his practices of works and asceticism are greater than Filling of God the Holy Spirit.
   15. The believer who depends on emotion which is the substitute for thought is in arrogance trapped in this pattern.
      i. Thought is the energy of objective thinking and arrogance destroys this objectivity and emotion takes over and this traps arrogant people.
      ii. The arrogant person assumes his feelings or experiences are greater than any organization, system or truth in life.

M. When the historical climate results in a maximum number of people being involved in the Interlocking System of Arrogance one of the things which occurs outside the general functions leading to degeneracy are the fluctuation of standards.
   1. Standards of thinking are most often completely learned between the ages of 25 and 30 years.
   2. As long as you are developing vocabulary and your experiences are varying your standards are still fluctuating.
   3. As long as standards fluctuate you cannot be humanly mature.

N. Most people marry between ages 20 and 30 (before that you are out already a looser), and if it is successful this is pure grace from God.
   1. Due to retardation of thought and lack of vocabulary in english the person whom one would love in ages 20-30 one would laugh at at age 40.
   2. Some people stay in fluctuation all their lives and thus never mature.
   3. Women develop more rapidly mentally (and physically) than men since they do not like bawdy language they develop more vocabulary with euphemisms to replace it.
   4. Interlocking System of Arrogance has pushed the male human maturity almost to age 40.

O. Males in an arrogant nation fluctuate even more in standards till they reach almost 40.
1. Most men would thus do well to get married at age 40 since this is where they stabilize their thinking.

P. The problem in the Interlocking System of Arrogance in the 80's and more so now, is there is a lack of response to evangelism
   1. We have an all time high number of Unbelievers and Negative Volition to Bible Doctrine and the unbelievers are disoriented to the Laws of Divine Establishment and authority and this all makes it impossible to grow up or Mature.
   2. These people still make lifetime decisions for which they have no intention to stand by.
   3. When a person does not take responsibility for their decisions they are arrogant and in the Interlocking System of Arrogance

Q. If the Right Man meets the Right Woman or vice versa and they are not mature at that time it will guarantee that the marriage is going to fail.
   1. Right Man + arrogance or Right Woman + arrogance the marriage will never succeed.
   2. Arrogance destroys capacity for love and life.
   3. Wrong Man – Arrogance or Wrong Woman – Arrogance will result in a successful marriage.
   4. Humility is needed for success in marriage, career, life in general.
   5. **God resists (makes war against) the proud but gives grace to the humble.**
   6. The most stable organizations in the nation are focused on free enterprise.

R. Emotion and Emotional Revolt of the Soul is the bedfellow with arrogance.
   1. Arrogant people emote and enter Emotional Revolt of the Soul and live by emotions.
   2. This results in their being in trouble in life overestimating their value which is not related to their integrity.
   3. This is the same in marriage and if you overestimate your value in any area of life you will regret jumping from job to job looking for a better situation.
   4. Military service focus' a person and trains and then uses you for a few years.

S. You owe something to whomever trains you.
   1. Changing jobs for better pay or situations is an arrogant person demonstrating that they have no character and no integrity and feel no loyalty to the group who trains them for their profession.
   2. Making the decision to change a job for better pay is to lose integrity and honor and gain arrogance.
   3. You leave behind you integrity your sense of values and honor when you leave a company who trains you.
   4. This is the overestimation of your worth to your industry.
   5. No matter the pay you receive you owe responsibility to the ones who train you.

T. These principles apply to everything,
   1. Right and wrong companies to work for
   2. Right and wrong friends
      i. We must grow up a little and learn that in human features ugly is often not ugly and beautiful is not always beautiful ONLY arrogance is ugly.

U. Arrogance is also the enemy of spiritual growth.
   1. Pride rejects the authority of the Pastor Teacher teaching Bible Doctrine
   2. It is the basic cause of getting into reversionism through the basic syndromes.
   3. The ability to produce a guilt syndrome in another person is one of the strongest powers in life.
   4. People manipulate others by nagging and producing a guilt complex in them if they do not comply with your wishes or desires.
   5. The power of arrogance to manipulate is almost beyond description
      i. This is the tyranny of federal government etc.
   6. This manipulative power is able to be handled by the weakest people on earth, producing guilt in others.
   7. One of the greatest powers in life is that of the self centered arrogant person to control or manipulate in the name of morality or society or personal responsibility etc who can thus
manipulate the strongest people in the world by giving them a syndrome of guilt.

Prov 11:2
When pride comes then comes dishonor but with the humble comes wisdom.

Prov 29:23
A man’s pride will bring him low, but with the humble comes honor.

V. It is impossible to have integrity and / or honor without humility.

W. No one can face disaster while involved in mental arrogance

X. The Battlefield of the Angelic Conflict:

James 4:6
v6: Moreover He gives Greater Grace or super-grace, therefore it the Old Testament Scripture says in Proverbs 3:34 “The God makes War against the Arrogant Believer, But he gives Grace to the Humble Believer”.

1Pet 5:5-6
v5: Likewise you younger (immature Believers) submit yourselves to the Pastor – Teacher, the elder, all of you others in the congregation fasten to one another or clothe yourselves with humility towards one another, being oriented to the Grace of God, because God makes war against the arrogant Believer but gives grace to the Humble Believer
v6: Therefore be grace oriented or Humble yourselves under the Mighty or Powerful or ruling hand of God (DDS) and his delegated authority, that he may exalt or Promote you in the proper time (Gate 8)

1. Arrogance is a system and power and is greater than anything in life with the exception of Bible Doctrine
2. It is the motivator of Satan and his fall and Adam and Ishah in their original sin.
3. Once the believer learns Bible Doctrine and becomes Spiritually Self Sustaining

1Tim 6:3-4
v3: If any one teaches you a different doctrine and does not concur with the sound doctrines of our Lord Jesus Christ even doctrine pertaining to Spiritual Maturity or godliness,

v4: He has received arrogance in the Interlocking System of Arrogance, understanding nothing or zero; furthermore he has a morbid obsession with self resulting in controversy and verbal conflict, from which originate jealousy, discord, evil speculations,

Prov 11:2
v2: When arrogance comes in via Interlocking System of Arrogance then comes dishonor, but with the humble (3 Categories) is Wisdom.

Prov 16:18
v18: Arrogance precedes destruction and before a fall a lifestyle of arrogance (strongest of Satanic attacks)

Prov 29:23
v23: A persons arrogance will bring him low but a spirit of humility will attain honor.

Job 33:16-17

Prov 16:18
v18: Arrogance precedes destruction and before a fall a lifestyle of arrogance (strongest of Satanic attacks)

4. No one ever dies or enters into intense Divine Discipline apart from volition making determination for his own arrogance.

5. You can attain honor through the 3 categories of Humility.

i. Both believers and unbelievers can attain honor in organizations, systems of structured discipline or genuine humility.

6. Most Divine Discipline in life is related to the Interlocking System of Arrogance

Y. Arrogance is a corrupter of the soul because it is a corrupter of thought and destroys truth in 3
categories from being received or applied.

1. Laws of Divine Establishment
   i. For believers and unbelievers

2. Gospel of Jesus of Nazareth, The Christ
   i. For unbelievers

3. Bible Doctrine
   i. For believers only

4. Arrogance is the basic sin which motivates distraction and rejection of truth / doctrine and thus becomes the distraction to perception of truth in any category
   i. Be informed by the truth but never be distracted from the truth.
   ii. Human thinking no matter how brilliant is helpless and useless without truth.
   iii. The human mind can be very brilliant and very stupid because of ignorance and rejection of truth.
   iv. The human mind cannot cope with life apart from Metabolized Bible Doctrine or any category of truth.

5. Arrogance distracts those who have accepted truth and divorces the believer from reality and this is the function of Mental Attitude arrogance.
   i. This produces the worst category of sin in the Modus Operandi of life but also divorces the person from reality of life.
   ii. Arrogance destroys capacity for life, love and happiness and blessing and perceptibility and rejects authority of scripture and the communicator and results in irrationality and destroys capabilities and resents the ability of others.

6. Arrogance produces a whole series of Mental Attitude Sins
   i. Jealousy, pettiness, vindictiveness, implacability, hatred, guilt, etc.
   ii. It distorts and rejects and ridicules truth but does not accept truth nor approach it with any objectivity.
   iii. It lives by flattery and believes the lie 2Thes 2
   iv. It is the greatest of enemies to spiritual growth due primarily to rejection of Bible Doctrine.

V. Entrance #2: Negative Volition Arrogance / Scar Tissue of the Soul

2Thes 2:11
v11: Therefore God sends upon them a strong delusion, to make them believe what is false,
v12: so that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

A. Mental Attitude Sins of Pride rejects truth especially Bible Doctrine in 2 forms:
   1. Person or communicator
   2. Content of the communicator.
   3. Being negative to one results in rejection of the other or often BOTH
   4. In each case there is either thought or lack of thought; concentration or distraction and the great issue in life is the ability to think.
   5. You must have a vocabulary to think and form concepts and principles from this vocabulary.
   6. Arrogance always sprouts where authority is involved.

B. You cannot be arrogant and learn Bible Doctrine and must overlook the personality and focus on the content.
   1. We must constantly remind ourselves that the message is important no the man.
   2. Often people reject the content and / or communicator because they become disillusioned with them.

C. Rejection of truth in 3 categories:
   1. Laws of Divine Establishment --- both believers and unbelievers
   2. Gospel of Jesus of Nazareth, The Christ --- Unbelievers
   3. Bible Doctrine --- Believers

D. Acceptance of false doctrine causing Self Pity and Self Righteousness resulting in instability in life.
E. Every time to reject or ignore or neglect doctrine by saying NO in some way you enter this system.

F. This results in self pity and if in prosperity you enter into self righteousness and oscillation between these 2 results into a guilt complex.

G. This relates directly to or coincides with the function of reversionism and link the 2.
   1. This is the only place where the Interlocking System of Arrogance crosses the degradation of the spiritual life in reversionism.
   2. This is apostasy crossing with degeneration.

H. This person will have nothing to apply to Bible Doctrine.

I. Negative Volition Bible Doctrine results in Scar Tissue of the Soul
   1. Every time your reject truth in any form you build more Scar Tissue of the Soul.
   2. Truth can be heard from any area of life and rejection of it from any source you build more Scar Tissue of the Soul
   3. If over the years people in the nation have said no to truth of Laws of Divine Establishment then when it comes time to vote and elect a government they will always in arrogance vote for their own self interest and support from the government.
   4. If you open a franchise to voting to the irresponsible it is inevitable that you will get irresponsibility in government and this is where the United States of America is beginning before 1980 and now suppurating in 2013.
   5. Any system which gives the majority an opportunity to express itself in time of apostasy is obviously result in the wrong people in control of the government.
      i. Government has been failing in its function of government because of trying to adjust people in their social life to each other.
      ii. This is not the purpose of government.
      iii. The purpose of government is to guarantee freedom and self determination and privacy and property to the individual and to support free enterprise and protect it from criminality and crusader arrogance.
      iv. This will provide the environment for attaining what ever is related to your own motivation and volition.
      v. This is destroyed by socialism.
   6. Once you say no to Laws of Divine Establishment or Bible Doctrine or the Gospel of Jesus of Nazareth, The Christ
      i. This results in Scar Tissue of the Soul and when this happens the result is Emotional Revolt of the Soul
      ii. These and other negative emotions crowd out thought and thus syndromes are developed from Scar Tissue of the Soul
         a. Socialist
         b. Cowardice
         c. Inadequacy
         d. Guilt
         e. Legalistic
         f. Anti Establishment
      iii. Thus the Mental Attitude Sins of pride leads to rejection of truth and thus eventually and inevitably destroys freedom.
         a. You shall know the truth in 3 categories and the truth shall make you free
      iv. This arrogance rejects truth and authority of the communicator or makes an issue of the personality of the communicator.
      v. When Scar Tissue of the Soul builds up then there develops in the Stream of Consciousness of the Soul a vacuum in the soul and it will suck in anything false and accepts it as true.
      vi. The vacuum in only constructed when there is Scar Tissue of the Soul and thus acceptance of false doctrine or any false information is believing the lie or strong delusion 2Thes 2:11
This is the destructive factor which destroys client nation function and calls for the Justice of God to execute the cycles of discipline on that nation.

This produces great instability which we see as:

i. In time of prosperity it develops Self Righteousness

ii. In time of adversity it converts Self Righteousness to self pity and this oscillates forming a great instability in life.

iii. Also slavery to circumstances of life or instability and oscillation between results of arrogance in prosperity and in adversity

iv. This amalgamation of these 2 results in guilt complex.

   3. Our job is to make the purpose and policy work in any organization we are in.
   4. We are to be professional when on the inside of the organization.
   5. When a company pays your wages your job it to fulfill the purpose and policy of the company within our sphere of activity.
   6. You are free to get out but not to undermine as this is a distortion of authority.

E. A husband has no right to abuse a wife in any way
   1. This is abuse of authority
   2. In marriage you get your way by gaining respect from a wife and by being firm and just.

F. When you have authority you must look to see what the source of your authority is
   1. When in a company with a purpose and policy you must use your authority to carry out your job in response to the purpose and policy
   2. If you have an option of expressing your view and it is rejected you must still use your position to carry out the policy and purpose of the company.
   3. Your job is not to agree or disagree with purpose or policy but to fulfill them
   4. You always have freedom to separate from the organization with whom you disagree but you do not have a right to run them down or undercut the policy or authority.
   5. You have no right to be conspiratorial and run down those in positions over you.
   6. You have no right to undermine the authority of those over you and stay in the organization you don't agree with.
   7. You have no right to function in any organization under ARROGANCE.

G. You will be given responsibility and never be able to handle it.

H. Interlocking System of Arrogance relates impulsive arrogance to Self Righteous Reaction.
   1. Self Righteous Reaction is a part of Self Righteousness not only in prosperity under Negative Volition but Self Righteousness as manifestation of arrogance in time of specific prosperity where the believer is awarded a great deal of power and authority.
   2. Self Righteous Arrogance is a Self Righteous reaction or righteous indignation OUT OF CONTROL.
3. Illus:
   i. Conservative reacts to the failure of the liberal government to control evil and take
      the law into his own hands.
   ii. Taking the law into one’s own hands is the Self Righteous reaction.
4. This is what Elijah did in ordering the execution of the 450 prophets of Baal on Mt
   Carmel.
5. Today the Self Righteous indignation of the law abiding citizen who is very moral and
   self righteous and has Laws of Divine Establishment norms and with these + Arrogance
   reacts to the unfair system of income tax and thus cheats on his income tax thus is in Self
   Righteous Reaction.
   i. This also is seen in the one who decides to NOT pay their taxes.
   ii. This person does not understand Give unto Ceasar
   iii. This reaction arrogance causes people to become dishonest and nonpatriotic and
      enemies of establishment.

   i. He formed a vigilante committee and executed people who did not agree with his
      sermons.
8. Strong believer postive to Bible Doctrine must be alert to avoid impulsive arrogance.
   i. This is vigilante functions.
9. When arrogance combines with Self Righteousness and the believer is tempted to react
   under impulsive or institutional arrogance he would do well to limit himself to
   impricatory prayer.
   i. This puts the matter in the hands of the Lord and the function of the Justice of
      God.
10. The believer’s responsibility to the Lord does not imply irresponsibility to establishment
    authority.
    i. At times establishment authority is often ghastly and it is easy to react to this and
       if you react with arrogance you are out of line.
    ii. While you may not have the criminal mentality it is difficult to distinguish you
       from the criminal.
    iii. Arrogance bypasses Laws of Divine Establishment authority in favor of personal
       retaliation or vengeance or breaking the law we as believers are commanded to
       uphold.
11. This is the person who becomes instantly proud vain or megalomaniacal when given more
    authority than he can handle.
12. Being a mature believer does not insulate you from the Interlocking System of Arrogance

God and those which exist are established by God.
v2: Therefore he who resists authority has opposed the ordinance of God (Laws of Divine Establishment) and also
they (Believers) who have opposed will received condemnation on themselves (discipline from God).

fear of authority then do what is Good and you will have praise from the same,

   5. Only arrogance wants to be the personal executioner and we must remember that no one ever gets away with anything in life under the eyes of the Lord.
   6. The believers responsibility to the Lord does not imply irresponsibility toward establishment authority.

J. This does not mean we don't have the right to protect your own life and property.
   1. This is self defense and not taking the law into our own hands.
   2. As believers under Logistical Grace it is our responsibility to accept authority which God has delegated for the Human Race in the Angelic Conflict
   3. In arrogance plus any false rationale will allow us to squirm out from under the law and there will be no one who is a law abiding citizen.
   4. Once you become a criminal you remove from your soul respect for authority and any restraint thus you can then become involved in any criminality.

Rom 13:1-7
v1: Let every soul (thinking area) be in subjection to governing authorities for there is NO authority except from God and those which exist are established by God.
v2: Therefore he who resists authority has opposed the ordinance of God (Laws of Divine Establishment) and also they (Believers) who have opposed will received condemnation on themselves (discipline from God).
v3: For rulers are not a cause of fear for Good behavior (establishment Good) but for evil, do you want to have no fear of authority then do what is Good and you will have praise from the same,
v4: for it (Government authority of Establishment) is a minister from God to You for Good, but if you do what is EVIL you should be afraid for it (Government) does not bear the sword for nothing or in vain (capitol punishment), for it is the minister of God an avenger who brings wrath on those who practice evil.
v5: therefore it is necessary to be in subjection of authority not only because of punishment for rejection of establishment but for conscience sake
v6: but because of this you also pay taxes, for they in authority are servents of God devoting themselves to this thing,
v7: render to all what is due them, Tax where tax is due, custom where custom is due, honor to whom honor, respect to whom respect.

A. Principle of this is:
1. Love and sex are related in our thinking
2. Sex without love is ritual without reality and arrogance and often preoccupation with self.
3. Love is always preoccupation with others

B. This is total preoccupation with self and thus self gratification in sex
1. The person not preoccupied with self is preoccupied with true love object and thus will be thoughtful of the object of his love.
2. When this does not occur the person uses sex as a means of self gratification only.
3. This destroys the capacity for love in all categories

C. In the male it is seen as polygamy and in the female it is seen as promiscuity
1. Emphasis on sex when there is no love is preoccupation with self just as drug addiction and compulsive eating is also.
2. Emphasis on love is concentration on something totally apart from self someone else.
3. Concentration on self and self gratification is total arrogance while concentration on another to totally normal.
4. Sex can be a blessing or a distraction.

   i. In sex it demands more sex than the body can handle and when this occurs the person goes to drug abuse or something else and this is total destruction of the body.

G. Arrogance has no self discipline and no self control but self centeredness.
1. This destroys what sex is designed to be.

crime and psychopathic systems.

I. This constitution demands integrity from all citizens of the United States of America

   3. It will not work without personal integrity in the people.
   4. It stands as a challenge and if any generation of the citizens of the United States of America do not have integrity the nation will be destroyed and the first stage is democracy.

J. Without integrity on the part of both believer and unbeliever citizens the constitution will not function.
   1. The magna carta demanded integrity on the part of the Barons of England not the people.

O. We have become an arrogant nation therefore an EVIL nation.
   1. This was seen in the destruction of the people of rhodesia by our support of those who terrorize the people in that nation.

P. Sin + Arrogance = EVIL, Human Good + Arrogance = Evil.
   1. Arrogance is the ingredient which converts sin or Human Good into evil.

Q. The constitution of the United States of America will only work when the citizens of the client nation in general have integrity and possess HONOR.
   1. Since the citizens generally no longer possess honor and integrity the constitution in reality is not functioning at all and in its place is both EVIL and the DEGENERACY of the Interlocking System of Arrogance
   2. The arrogant public destroys the function of the constitution of the United States of America

R. There is only one way to perpetuate honor and integrity through Bible Doctrine and private education and neither is doing the job today.

   5. Our system was set up that federal government is the SERVANT of the people with certain administrative responsibilities but no jurisdiction over the people except in time of war to provide the army and fulfill certain governmental responsibilities and collection of taxes to maintain a standing army and other responsibilities.
   6. The federal government was the servant of the people and the power of government was to reside in the states but the war between the states destroyed state's rights totally.
   7. The federal government has taken the power and put concentrated power in washington instead of decentralized power in the states.

S. Client nation arrogance must be distinguished from political arrogance.
   1. Political arrogance involved individuals with inordinate ambition
   2. People seeking power and office or both in the client nation but doing so from inside the Interlocking System of Arrogance

      ii. Love is a result of something far greater than love that being Integrity and Honor.
      iii. Integrity + Loyalty = Honor.
      iv. When a woman breaks up with a man in whom she has supposedly been in love and then runs him down to her next lover she has no integrity nor honor.
         a. Bitterness and arrogance result in life in the Interlocking System of Arrogance
b. In arrogance Integrity vs Loyalty cancels integrity and honor and leaves only loyalty to generally a jackass.

2. Client nation arrogance manifests itself in the national distortion of the meaning of love.
   i. People use “LOVE” for everything in terms of distortion not its true meaning.

3. Client nation public arrogance divorces love from honor and integrity.
   i. True love is from integrity
   ii. This results in total loyalty and you would never betray them and thus you have HONOR.
   iii. Honor thus becomes the capacity for love in all categories.
   iv. There is no capacity for Cat I love today because there is no honor or respect for the Lord Jesus of Nazareth, The Christ in general.
   v. Cat III love is friendship
   vi. You have no true friends without integrity.
   vii. Integrity means a + to loyalty and true friends are loyal to you without being disloyal to doctrine or truth thus maintaining HONOR.
   viii. People in Interlocking System of Arrogance when they get into your life they demand that you be loyal to them instead of to principles of doctrine or the Laws of Divine Establishment
   ix. They thus destroy your integrity and honor and thus they destroy your capacity for life, love and happiness.

4. Pseudo love emphasizes sex thus self over honor.
   i. Sex + subjectivity = selfcenteredness or sexual arrogance.
   ii. Sex must be related to objectivity
   iii. Sex in marriage becomes the ritual which goes with reality found in HONOR.
   iv. Integrity + Loyalty = Honor == objectivity

5. True love emphasizes honor and integrity thus the object of love receives both loyalty and respect.

6. Integrity + loyalty = honor and to become honor integrity must be loyal to principles of Bible Doctrine or Laws of Divine Establishment which are understood and then applied.

7. For the believer in Jesus of Nazareth, The Christ this means a total understanding of the Royal Family Honor Code.
   i. The best summary of this Royal Family Honor Code is Rom 12-16 plus its application under reverse concentration.
   ii. Among student protestors in anti war and draft demonstrations there was NO OBJECTIVITY.
   iii. This means for the believer Perception, Cognition, Inculcation, Metabolization & Application of Royal Family Honor Code and its application.

8. For the Unbeliever in the client nation this means also Perception, Cognition, Inculcation, Metabolization & Application of Laws of Divine Establishment

9. Both point 7 & 8 require objectivity of the soul.
   i. You cannot understand and apply doctrine nor Laws of Divine Establishment and be subjectivity
   ii. Subjectivity is arrogance
   iii. Subjectivity + Arrogance = cowardice
   iv. Cowards have no sense of responsibility and are totally arrogant and subjective
   v. Subjectivity makes too much of an issue of self.
   vi. Military draft is not slavery as they claimed it is essential along with universal military training that we have it in order to protect our freedoms.

10. There is no capacity for life love or happiness without the principle of Integrity + Loyalty = Honor.

11. True love resides in integrity attraction rather than physical attraction between man and woman.
   i. Physical attraction cannot ever be on the same lever with integrity attraction.
   ii. Physical beauty is common and if not it is because they are whining wimps
iii. True love is attraction of the mind in objectivity and attraction of integrity.

12. Issues in true love are based on compatibility in fields of integrity
   i. Fields of integrity are truth, gospel, Laws of Divine Establishment
   ii. If you have honor first then you will have true love.
   iii. This is how a woman will give first place to a man’s career and both to Bible Doctrine.
   iv. You cannot get your way with a man by nagging and if you do you have destroyed
       his integrity
   v. A man of integrity and honor will never succumb to nagging no matter how long it
      lasts.
   vi. The things which most defeminizes the woman is nagging, whining, mewing, 
       complaining.

13. True love resides in integrity attraction rather than physical attraction.
14. Integrity attraction is the reality while physical attraction is the ritual.
15. Ritual without reality is meaningless.
   i. Arrogant people take the plus out of the principle of Integrity + Loyalty = Honor.
   ii. Arrogant people will destroy your integrity and honor by making an issue of 
       themselves
   iii. Arrogant people make an issue of self and use those they love.
   iv. Arrogant people who use you will live to despise you.
   v. These arrogant people cause the problem of pseudo love or friendship which is 
       integrity vs loyalty.
   vi. Anyone who makes an issue to you in integrity vs loyalty they are drawing you 
       into pseudo love and your influence is from an arrogant person and your integrity 
       is being destroyed.

       humility and freedom from Interlocking System of Arrogance

U. People think the government owes them something in life
   1. The only thing the government owe a person is freedom to succeed or fail.

XVII. Entrance #14 Authority Arrogance or Satanic Syndrome

Rom 9:19-21
v19: Therefore You will say to me, "Why does he (God) still find fault? For who has resisted his will or purpose?"

v20: On the contrary mankind oh Mankind, you, who are you who answers back to God? Shall what is formed say 
to him who formed it, "Why have you made me like this?"

v21: For does not the potter (God) possess authority over the clay (Mankind) from the same lump to make on the 
one hand a vessel for the purpose of Honor and on the other hand a vessel for the purpose of Dishonor, Of course he 
does.

A. At Salvation Adjustment to the Justice of God we enter into a special situation and the reason we 
   are called children.
       1. All authority is related to childhood.
B. It is that arrogance by which legitimate authority from God is rejected resulting in disorientation 
   to life.
       1. The most basic legitimate authority is parental in the home.
2. Rejection of this authority is disorientation to life and entrance into the Interlocking System of Arrogance.
3. This results in maladjustment in life.
4. This is easy in times of degeneration when there is excess freedom in the contemporaries involving drugs, sex, etc.

C. It is that spiritual malady which results in national degeneration and punishment
1. The only way a nation in this state can be preserved when this reaches a saturation point is that the pot has to be broken and remolded

D. 2 basic manifestations of authority arrogance include:
1. Children disobeying parents
   i. They get the idea based on how the mothers reject the authority of their fathers.
   ii. If the child’s volition clashes with the parental authority they will be disoriented to life.
   iii. If the child’s volition coalesces with the parental authority they will be oriented to life.
2. When people reject parental authority in childhood they eventually become involved in revolution of some kind.
   i. In order to preserve the nation these people must die in mass.
3. Wives rejecting authority of Husbands

Col 3:18
v18: Wives be subordinate or keep voluntarily yielding yourselves to your husbands as is protocoled or fitting or proper in the lord (right thing in the right way)

Col 3:20
v20: The children keep obeying the parents in all things for it is to your advantage.
1. If authority arrogance or the satanic syndrome is an issue in the home for a wife or children and becomes critical with regard to orientation to life then being born again and becoming a spiritual baby introduces another aspect of this problem.

E. Authority arrogance problem of the believer:
1. Regeneration or being “born again” through faith alone in Jesus of Nazareth, The Christ alone introduces a new authority in life.
2. We become a new lump or new recruits starting all over
3. The new basic authority is now Bible Doctrine and the Pastor Teacher who communicates this.
4. If you are to avoid Interlocking System of Arrogance you must accept the authority and listen to the teaching and respect it NOT accept it.
5. If you cannot respect the teaching of a Pastor Teacher you must leave quietly without complaint or degradation.

F. The analogy is seen in that just as parental authority provides orientation to temporal life so pastoral authority provides orientation to spiritual life.
1. Having 2 forms of life after regeneration we now have 2 sources of authority and 2 sources to orient us to this life.
2. The authority that we reject toward the Pastor Teacher will reflect itself throughout our entire life rejecting authority in business and life
3. Arrogance is what makes this occur and thus there is no happiness in life nor blessing in life.

Heb 13:17
v17: Keep obeying those pastors who themselves are ruling over you and submit to their authority; for these same ones, Pastor Teachers, keep being alert for the benefit for your souls, as those who have to render an account. Keep obeying them that they may do this accounting with joy and not with groaning for this accounting with groaning will be unprofitable for you.

Heb 13:7
v7: Be concentrating on them, Pastor Teachers, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith.

G. Doctrine is the mind of Jesus of Nazareth, The Christ and the absolute authority for all believers.
1. The authority of the Pastor Teacher is related to accurate communication of Bible Doctrine

2. The Local Church becomes analogous to the home and family into which you were physically born and now being born again you walk into the Local Church

3. Just as there is authority in the home there must be authority in the Local Church

4. Local Church authority is needed to exercise one’s freedom in the Christian Way of Life just as the Laws of Divine Establishment authority is needed to exercise freedom in temporal life.

5. Rejection of authority in the Local Church is tantamount to rejection of authority in the home and means entrance into Interlocking System of Arrogance through gate 14 authority arrogance or the satanic syndrome.

6. You still have freedom to find a right Pastor Teacher and to leave the Local Church because the pastor does not teach Bible Doctrine or the pastors personality is so obnoxious that one is tormented or offended.

7. It does mean that no believer should criticize the Pastor Teacher whose church you are leaving.

8. Do not leave the Local Church and criticize the Pastor Teacher whom you are leaving.

9. If you persist in being critical of the Pastor Teacher who you are leaving you will receive maximum Divine Discipline for authority arrogance and you cannot afford this.

10. Just as the teen ager who rejects parental authority is disciplined all his life so the believer who rejects pastoral authority spends all his Christian life in misery being disciplined rather than blessed.

H. All systems of disorientation to life and reality start with rejection of authority in the home.

1. This means no capacity for happiness or blessing and a life of total unhappiness.

2. You cannot remain in this type of arrogance and resent or reject your parents and despise them and have any type of spiritual life or growth.

3. Volition directed toward establishment authority determines whether you are an honorable or dishonorable person.

4. This is why believers accept socialism, communism, welfare, etc and resent those who work for a better life.

I. There is nothing fair in life.

1. Only from God will we get fairness

2. The only thing we will face in life is authority NOT fairness.

3. Unfair unreasonable, but legitimate authority and our ability to orient to that authority is the basis for our happiness or lack of it in life.

XVIII. Entrance #15  **Alcoholic Arrogance and Hangover Arrogance** (ff)

A. Habitual Drunkenness places you into the Interlocking System of Arrogance

1. People get drunk because they concentrate on self and the rosy glow they are getting from the alcohol.

2. This is very closely related to self centered arrogance.

XIX. Entrance #16 **Personality Arrogance** (ff)

A. This is a key issue in becoming involved in Interlocking System of Arrogance

B. In blind arrogance a Self Righteous Arrogant person dominates a group of believers through his own system of legalism

C. An offshoot of blind arrogance is personality arrogance which is a dominate personality.

D. This arrogant person often uses his personality to dominate a group.

1. There are 2 types of people with personality

2. One can dominate through his personality

3. Another will do so by manipulation

E. Personality arrogance finds this dominating manipulative pleasing personality setting false standards for a group instead of Bible Doctrine.

1. In general the uninformed or naïve person is the one most susceptible to this type of
personality.
2. Thus this person can be distracted from Bible Doctrine by another who makes you a victim of their personality arrogance.
3. This is the blind leading the blind in a church or business or any organization.

F. This is selfcenteredness of personal opinion and seeks to establish personal opinion over doctrinal standards or the policy of any organization.
1. This is where personality arrogance hooks up with blind arrogance and also institutional arrogance.

G. When you find self disagreeing or rejecting something taught in bible study or what you read in the bible itself.
1. Move it around in your mind and find the problem area and then remove that problem and place it aside for future consideration.
2. This separates what is acceptable to you from what is unacceptable to you and then you must wait so that if you are truly positive to Bible Doctrine and have true humility all the things you question will be answered.
3. There will always be new questions and new problems and doctrine must be inculcated to discover the truth and the explanations.

Matt 20:1-15
1: "For the kingdom of heaven is like a householder who went out early in the morning to hire laborers for his vineyard.
2: After agreeing with the laborers for a denarius a day, he sent them into his vineyard.
3: And going out about the third hour he saw others standing idle in the market place;
4: and to them he said, 'You go into the vineyard too, and whatever is right I will give you.' So they went.
5: Going out again about the sixth hour and the ninth hour, he did the same.
6: And about the eleventh hour he went out and found others standing; and he said to them, 'Why do you stand here idle all day?'
7: They said to him, 'Because no one has hired us.' He said to them, 'You go into the vineyard too.'
8: And when evening came, the owner of the vineyard said to his steward, 'Call the laborers and pay them their wages, beginning with the last, up to the first.'
9: And when those hired about the eleventh hour came, each of them received a denarius.
10: Now when the first came, they thought they would receive more; but each of them also received a denarius.

v11: And when those in the labor union received their wages at the end of the day they began to complain at the householder,

3. It is an unreal and misleading image created by arrogant volition and thinking of a person who is arrogant and may not recognize he is arrogant.
   i. This person has abnormal not normal illusions.
   ii. Because arrogance is subjective and inflexible it must be creative in the field of subjectivity and it totally alone creates an image for worship.

4. Accompanying the illusion created by arrogance is the state of being enchanted by illusion created from arrogant subjective thinking.
   i. These illusions can in fact go to the point of entrance into psychosis.

5. Once the illusion disappoints its arrogant creator through some failure real or imagined the arrogant reaction is disillusion and disenchantment called the “feet of clay” syndrome.

6. The arrogance of disillusion or disenchantment ignores the reality of human sin or failure and creates an image without it or without realization of it creating an image which does not exist.
   i. It is possible to have the illusionary image of a person so strong and when they die before you see the feet of clay you can fall totally into a psychotic state.

7. That same arrogance reacts to what it has created when it sees failure and destroys the nonexistent image.
   i. Arrogance creates and arrogance destroys ie iconoclasm.
   ii. Without the image not even knowing of the existence of the idolatrous worship.

8. This has to be classified as the maximum of subjectivity in arrogant thought.

9. Arrogant subjective people in preoccupation with self spend their lives following this pattern of ignoring reality and hamartiology.

10. Love, respect and admiration related to humility and reality are normal and not to be included in this concept.
    i. The real secret to capacity for love, life and Happiness is Bible Doctrine in the sphere of humility.
    ii. Love, respect, admiration relate to reality, humility and capacity thus humility is the protection against the most subtle and common place functions of arrogance.
    iii. The arrogant person picks an object and creates an image then is disillusioned by the image not maintaining the high status the arrogant one has set and then he turns and destroys the image by himself without any help or awareness of the image.

11. Humility never destroys romance and true love but arrogance fantasizes romance, honor and integrity into an image of unreality which cannot and does not exist in the devil’s world and then destroys it.

12. Once this occurs and the image is destroyed the first person who comes alone and is nice and sweet as a person that person is latched onto and the whole thing starts over.
    i. When you have frustrated arrogance like this finding feet of clay in another you choose the first one who soothes your frustration.

13. This arrogance is one of creating out of unreality your very own idol and then relating it to reality reacting to its supposed failures and then destroying it.

14. Arrogance creates an idol of perfection the image of unreality then discovers the reality in the idol and reacts to it and destroys it.
    i. If you are arrogant you will use thoughts to create an idol of perfection.
ii. The greater the arrogance and Self Righteousness the greater the demand for perfection in others.

15. Arrogance is the discovery of someone else’s feet of clay, someone else whom you have first constructed into an idol of perfection.
   i. It is the construction of an idol of perfection with anyone being a victim and not know it.
   ii. Then to discover the feet of clay and become disillusioned with what you have created in arrogance.
   iii. This is all done in your own thinking and make anyone a victim and then destroy them.
   iv. People always blame someone else or some organization for their own failures.

16. You create in arrogance your own personal idol then react in arrogance with disillusion then destroy that idol with the same connotation of arrogance.
   i. This also interlocks with bitterness of Mental Attitude Sins arrogance.

17. This is the vanity for blaming someone else for the fantasizing of your own arrogance.
   i. You shift blame to the other but YOU, did the fantasizing, your are the arrogant one, you created the idol and then you destroy it.
   ii. This is the most subtle but most vicious forms of arrogance taking the arrogance you possess and no matter your IQ it turns all in your thinking into subjectivity.
   iii. It is impossible to have any capacity for life or love with this thinking in your soul.
   iv. This is how you enter psychopathic function.
   v. It is impossible with this thinking to appreciate Bible Doctrine because it is all distorted subjectively into your own arrogance system.

18. This is also the function of creating out of arrogant thinking then worshiping that idol in the sphere or circumstances of unreality then blaming it for not being God and then destroying it with your own arrogant reaction of disillusion and disenchantment.

19. Only God is perfect while man is not only imperfect and sinful but falls under the category of hamartiology called total depravity.
   i. Depravity is totally arrogant thinking.
   ii. Degeneracy is not actions or vulgarity but categorical arrogance.
   iii. Entering Iconoclastic Arrogance is accomplished totally by a person’s own thinking; auto arrogance.
   iv. He creates an idol or image which does not exist in reality but only in his own thinking.
   v. Then faced with the idol’s feet of clay he reacts to this reality and destroys the idol with arrogant thinking.
   vi. He reacts to the idol which he has created but also to any system with which the Idol is related.

C. Principle:
1. Arrogance is basic divorcement or disassociation from reality (Generally)
2. Disenchantment arrogance begins with preoccupation with an object of admiration or attractions and terminates with preoccupation with self as frustration, disillusion or disenchantment with the object or image which your own arrogance has created.
3. This category of arrogance may have short or prolonged subjectivity but it can slip very easily into insanity.
   i. This insanity is blaming the idol you have created for what you yourself have done.
   ii. This is Recycling subjectivity
   iii. This transfer of blame to the idol assuages the arrogance of the person who created the idol.
4. The arrogant person never blames self for his own arrogance but transfers the blame to others.
5. This category of arrogance creates an opinion of perfection which you have created and
transferred to another person and they will never measure up to it and you then become disillusioned and disenchanted with them.

i. This arrogance creates an opinion of perfection about someone else then in disillusion blames the other person for an opinion you have created.

6. In this category of arrogance the idol is really innocent whether sinful or not, while the arrogant idol maker is guilty of the most heinous form of subjectivity.

i. The idol does not create himself as an idol.

7. It is the quintessence of Self Righteous Arrogance to make a pronouncement on another having feet of clay when the pronouncement is a demonstration of an entire body of clay in the accuser.

i. Beware of the person who makes pronouncements of another’s feet of clay.

ii. You are looking at a person who has idolized another, reacted to them and become disillusioned by them and their personal recycling of subjectivity expressed verbally is destroying them.

iii. They are advertising that this other has feet of clay while their whole body is made of clay.

8. It takes arrogance to create an image and then turn around and destroy the image in reaction of disillusion.

9. Preoccupation with self leads to such great admiration of one’s own opinion that contradiction from one’s own created idol turns admiration into hatred, love into bitterness, respect into maligning ie the feet of clay witch hunt.

10. Disillusion or disenchantment in arrogance places personal opinion above Bible Doctrine and ignores the universal implications of hamartiology.

i. No one is perfect we all fail and all sin.

ii. Failure of others is usually unknown unless you are personally involved

iii. The idea of one setting self above another follows the principle of “let he who has no sin cast the first stone”.

11. Disillusion arrogance rejects the Bible Doctrine of imputed sin and the existence of the Old Sin Nature in all of us aside from Jesus of Nazareth, The Christ and all classifications of sin personal sin in self while over emphasizing these things in others.

12. This is the arrogance of assuming the prerogatives of God by assigning lofty and vain attributes to self while arrogantly condemning former objects of admiration.

i. The condemnation takes the very Self Righteous form assuming that you have discovered the idols feet of clay.

13. This assumption assigns perfection to self (recycling of subjectivity in your thinking) and flaws to those who do not measure up to your illusions of perfection.

i. When point out the feet of clay of another you are implying a superior perfection to self.

14. Arrogance is the illusion of assuming that anyone is perfect so that when disillusion follows this it seeks to react, belittle, malign and destroy the image which your personal arrogance has created.

D. Feet of clay syndrome:

1. It is the arrogance of rearranging the doctrine of hamartiology to suit your own convenience in life and to transfer to the idol blame for your subjective arrogance and frustration.

2. It is arrogant to be idolatrous about people, but it is just as arrogant to be iconoclastic and destroy idols made from people.

3. Admiration is normal but making it into the creation of an idol of assumed perfection then reacting with disenchantment when the idol fails to live up to perfection is abnormal and sinful and evil and self destructive.

i. You may find the flaws or feet of clay in another but while finding it you are destroying yourself.

4. The self destructive process overflows into iconoclastic arrogance or the feet of clay syndrome.
5. To admire, love, honor, respect, revere, adore, esteem, approve, applaud are normal functions of humility and objectivity.
6. Only arrogance takes these normal functions and converts them into construction then destruction of idols.
7. God is to be worshiped being perfect while people are to be loved, honored, admired, appreciated approved with all their failures.
   i. People are admired despite their Old Sin Nature and fail and this is normal in life.
   ii. What is abnormal is to transfer the worship of perfect God to the worship of imperfect man and to become disillusioned and then destroy this person.
8. The believer who is humble will never be disenchanted with God.
9. The believer who is humble will never be disillusioned with people as this is arrogance of iconoclasm.
10. It is normal to be disappointed with people but disillusion or disenchantment as arrogant reaction to an idol you have created and worshiped is abnormal and sinful in the way satan sinned.
11. The feet of clay syndrome is arrogant frustration assigning the broken idol to the lowest hell of disenchantment.
12. In recycling subjectivity YOU in arrogance are doing it all,
   i. Create the idol
   ii. Assign perfeclion to is
   iii. React to it
   iv. Destroy it in disillusion or disenchantment.
13. You created the image and have destroyed the image you created in arrogance.
   i. Man which is not perfect cannot create perfection.
   ii. When man makes an idol out of another and then the idol falls short of expectations he reacts with disillusion and disenchantment and destroys the idol.
14. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul produces the humility of admiration, love, honor, respect, revere, adoration, esteem, approval but such humility is both objective and flexible.
15. Therefore humility never assigns perfection and never reacts to imperfection where humility loves, admires, respect, honors, esteems, etc. and thus stabilizes human relationships.
16. Only arrogant thinking can produce iconoclastic arrogance of disillusion and disenchantment.

E. Principle of the Interlocking aspect of Iconoclastic Arrogance.
1. When in the Interlocking System of Arrogance you can interlock with all systems of arrogance and shock yourself with what you do.
2. Iconoclastic arrogance interlocks with the instability of the arrogance complex which is oscillation between Self Righteous Arrogance and Self Pity.
3. Since the idol created by this arrogance is often associated with authority this makes the person vulnerable to Institutional Arrogance and Authority Arrogance.
4. Since the person involved in disillusion arrogance is basically unhappy he must also be associated with the Arrogance of Unhappiness.
   i. When unhappy you look for someone to make you happy and that someone becomes your idol and when they let you down you are unhappy and destroy them and look for another to make you happy.
   ii. It is very difficult to go in by Iconoclastic Arrogance and not be involved in Arrogance of Unhappiness.
5. Those whose Modus Operandi includes the arrogance of disillusion and disenchantment are inevitably basically unhappy.
   i. Nothing can make them happy and they always react to the target which they thinks will make them happy.
   ii. They always react to the real or imagined faults in the idol THEY have created.
6. The reaction of disillusion and disenchantment also links with Crusader Arrogance.
i. The crusader is a frustrated Self Righteous Arrogance person.
ii. He is one who has shot down so many idols he has given up on idols and now wants to reform groups or improve the world.

7. The object of the crusade is to punish the idol or idol group for being human for sinning, for offending his Self Righteousness when he discovered the feet of clay of the idol.
8. This is the greatest distraction to the study of Bible Doctrine since all teachers of Bible Doctrine have an Old Sin Nature and people discover this all too quickly.

F. Disorientation to Life:
1. It should be emphasized that the Arrogance of Unhappiness always interlocks with the arrogance of disillusion and then they interlock they always produce disoriented to life.
2. The basically unhappy person is most vulnerable to the Arrogance of Disillusion.
3. Generally happy people are objective and flexible allowing them to distinguish between love and perfection they can also distinguish between admiration, respect, admiration, esteem, adoration and perfection and only the people disoriented to life cannot make this distinction.
   i. When we love we never love another who is perfect and when we react to the imperfection of the other we become totally disoriented to life.
4. This discernment functioning in compatibility with humility, objectivity and flexibility insulates the believer against converting these things into an image of perfection, thus Humility + Bible Doctrine == avoidance of Iconoclastic or Disillusion Arrogance.
5. Admiration and respect cannot be turned into disillusion and disenchantment without the Interlocking System of Arrogance in your soul.
6. You are the arrogant one not the one whose feet of clay you have discovered and seek to destroy.
7. This forces the conclusion that basic disorientation to life and basic unhappiness have the same source ARROGANCE, your very own personal arrogance.
8. Arrogance of Unhappiness combines with Iconoclastic Arrogance to divorce the believer from the reality of life.
9. This explains why so many believers are neurotic and psychotic and totally defeated in circumstances of prosperity and adversity.

G. Pomposity is an illustration of arrogant disorientation to life
   1. Only perfect God should be the true object of human worship.
   2. Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine leads to Occupation with the Person of Jesus of Nazareth, The Christ who is the manifest person of the holy trinity, the godhead.
   3. It is normal to love, honor, respect, admire people but abnormal and arrogant to blame others for your disenchantment and disillusion.
   4. Pomposity is the characteristic of self importance or disorientation to life through arrogance.
   5. The discovery of feet of clay in a self created idol is the pomposity of arrogance it is preoccupation with self to the exclusion of reality.
   6. Disenchantment is self produced through arrogance.
   7. You have no one to blame except self when you become disenchanted with anyone or any system.
      i. Disappointment is normal disenchantment is arrogance.
      ii. Recycling subjectivity is a spin cycle which is very difficult to recover from.

XXV. Entrance #22 Arrogance of Morality:
A. Morality arrogance is preoccupation with false standards of morality to the exclusion of true morality and its purpose in the Modus Vivendi of the Human Race
   1. It is the arrogant function of self righteousness or preoccupation with false standards as a result of Negative Volition arrogance toward TRUTH of Bible Doctrine or Laws of Divine Establishment.
   2. This is the superimposition of a false and personal standard of morality over a true and
collective standard of morality for the Human Race and is thus related to both blind and crusader arrogance.

3. While both believer and unbeliever function in this category of arrogance they do so in their own pertinent spheres

4. The unbeliever substitutes in pride a personal and false standard of morality for the true standard morality found in Laws of Divine Establishment morality
   i. All morality for the unbeliever is related to the Laws of Divine Establishment
   ii. This is the federal government trying to solve social problems instead of trying to protect the freedom and rights of individuals.

5. Therefore Arrogance rejects authority and Laws of Divine Establishment morality including patriotism

6. Unbeliever morality arrogance in illustrated by the individual who on the basis for false standards of morality refuses to sign up for the draft and military service when his country is involved in war and calls himself a conscientious objector and this is arrogance.
   i. The believer can fail in this way and refuse military service and to sign up for the draft and enjoy the privileges of freedom without taking responsibility for freedom because of arrogance and many times personal cowardice.

7. The believer substitutes in the Interlocking System of Arrogance either a true or false morality for the Filling of God the Holy Spirit.
   i. Believers in Interlocking System of Arrogance always reject spirituality by grace and Filling of God the Holy Spirit through rebound procedures and always have a system of spirituality by works.
   ii. All legalism is arrogance and rejection of true spirituality.
   iii. This includes the concepts of tithing in substitution for spiritual giving.

B. Principle:
   1. When a system of morality created by arrogance and self righteousness is substituted for or superimposed on Laws of Divine Establishment morality or on Christian spirituality through Filling of God the Holy Spirit the result is arrogance of morality.
   2. Morality is not the means to Laws of Divine Establishment function but it is the result of Laws of Divine Establishment functions such as:
      i. Paying taxes no matter how high or immoral etc.
      ii. Serving in the military
      iii. Respect for and entering Law Enforcement
      iv. Serving in the government honorably
      v. Avoiding criminality
      vi. Being honorable in marriage and parenthood
      vii. Recognition of the privacy of others
      viii. Respect for property and common rights.

3. Crusader arrogance rejects the morality of establishment freedom.

4. Mental arrogance rejects the morality of respect for privacy of others.
   i. This is one of the greatest systems of morality and when violated you have become arrogantly immoral when you interfere with privacy of others.
   ii. This is why we have the decalogue whose subject is freedom and its purpose is to properly define freedom and relate it to sins which destroy it and functions which destroy it.

5. Criminal arrogance rejects the morality of both property and the right of others to pursue happiness.

6. Psychopathic arrogance is totally divorced from reality and Laws of Divine Establishment morality and thus rejects all legitimate morality from sociopathic and psychopathic thinking and behavior.

7. Negative Volition, Institutional, crusader, conspiracy, political, client nation, Authority, Unhappiness, and Iconoclastic arrogance all distort morality by being eclectic picking and choosing and using self centeredness as the norm for morality rather than the word of God.
This is a basic failure of fundamental Christianity which has related their personal arrogance a system of evil to morality

When Evil is added to morality then morality loses the purpose of morality and this is LEGALISM of bible and Christian schools.

When the believer substitutes morality for spirituality he then rejects the grace policy of the Plan of God and accepts his own prejudices for the Christian Way of Life

Morality is neither the means but the result of the spirituality and the Christian Way of Life

Morality is neither the means but the result of the spirituality and of obedience of TRUTH from Bible Doctrine or Laws of Divine Establishment

True morality is the result of complying with Bible Doctrine and Filling of God the Holy Spirit and Laws of Divine Establishment truths.

Both establishment authority and Filling of God the Holy Spirit are systems of enforced humility.

Parents over children

Husband over wife

Government and Law Enforcement

Management in business

Professor in classroom

Coach in sports.

Pastor Teacher in Local Church.

Therefore spirituality and Laws of Divine Establishment truth were designed by God in both believer and unbeliever and to produce morality associated with humility.

The constitution will never function unless the unbeliever is just as moral as the believers in Laws of Divine Establishment function.

Morality does not belong to the believer but to the whole Human Race

It is the only basis for recognition of common rights such as privacy and freedom functions.

No system of morality which involves the function of arrogance is a true system of morality

All systems of morality which include arrogance on the part of the person make it immoral.

Morality + Arrogance == Evil.

When congress in arrogance passes laws which are options of individuals in life for what they will do here or there it is a system of Self Righteous morality and hooked into arrogance and becomes evil.

This infringes on freedom.

Thus it is the responsibility of government to protect business from crusaders and crusader arrogance just as it is the function of government under divine law to protect business from criminality.

This means that believer OR the unbeliever can be patriotic, moral or honorable

Often the unbeliever has more integrity than the fundamental believer.

Morality is not spirituality for anything the unbeliever can do is not the Christian Way of Life

The Christian Way of Life is a supernatural way of life and demands a supernatural means of execution ie the Filling of God the Holy Spirit

Morality is conformity to the Laws of Divine Establishment including its authority, ethics, motivations, character, conduct, honor and integrity

It is conformity to all of the Divine Institutions, freedom, marriage, family and government.

Christianity is not a morality but a relationship with God beginning with personal faith in Jesus of Nazareth, The Christ

2Cor 5:17 recognizes Baptism of God the Holy Spirit and union with Jesus of
7. The dynamics of Christianity are not related to us but related to the ministry of the Filling of God the Holy Spirit producing something higher than morality in us.

8. Morality has limitations which are ignored by arrogance
   i. It cannot provide salvation and arrogance seeks this by works not by Grace and faith.
   ii. It cannot provide spirituality nor Filling of God the Holy Spirit and arrogance seeks it by works called legalism.
   iii. It cannot advance the believer in the Plan of God or in the Spiritual Life but arrogance bases spiritual advance on works or production.
   iv. Arrogance totally rejects the concepts of spirituality through Filling of God the Holy Spirit but bases spiritual advance on morality and works.
   v. Production in witnessing, prayer, result from Filling of God the Holy Spirit.
   vi. Arrogance says production is the means of spirituality while God says production is the result of spirituality.

D. Principle:
   1. Morality protects human freedom making possible evangelism and the functions of the Local Church.
      i. It is not a substitute for salvation nor spiritual growth in the Plan of God.
      ii. Morality is not spirituality but spirituality includes morality.
   3. The Interlocking System of Arrogance distort morality into a system of unreality which opposes the Plan of God.
   4. Arrogance is the enemy of both Laws of Divine Establishment morality and the Christian Way of Life.
      i. Arrogance + Morality == self righteousness.
   5. Only Self Righteous Arrogance uses morality as a means of spirituality or substitutes personal ego for the honor and integrity of Laws of Divine Establishment Modus Operandi
   6. Humility in life is the key to morality and there is no true morality apart from humility.
      i. Laws of Divine Establishment authority is the norm for humility in life and Filling of God the Holy Spirit is the status of humility in the believer.
      ii. Both are in reality enforced humility.
      iii. When you get out of fellowship through any sin you are no longer under humility.
      iv. Those who dodge draft, refuse military service, cheat on income tax all have arrogance of morality and no honor, integrity and no humility needed for true morality.
   7. Self discipline from personal volition or Filling of God the Holy Spirit in Christianity provide self imposed or enforced humility and all true morality is based on self discipline or enforced humility which is true morality.
      i. Self Discipline is very important in life and is our personal decision to conform to authority which may not be pleasant.
      ii. Enforced humility is a part of the believer or unbeliever in the client nation.
      iii. Morality demands that both be law abiding citizens of the client nation, patriotic and dedicated to the doctrine of freedom and the authority needed to guarantee the freedom of all.
      iv. Enforced humility recognizes your volition.
         a. Jehovah Witnesses are very immoral and evil and anti Christian because they are anti government and their whole system is based on arrogance having no humility.

E. True Morality cannot exist without humility
   1. Both the authority of Laws of Divine Establishment and that of the Pastor Teacher of the Local Church who teaches Bible Doctrine are systems of enforced humility.
      i. You face the issue of whether you will face the authority of someone who you
dislike, disagree, resent and thus accept the word of God or will I in arrogance reject his authority and teaching and make an issue of his personality.

ii. Once you decide this you either increase or limit your options

iii. Once you reject Laws of Divine Establishment authority in refusing to pay taxes, military service, the police in Law Enforcement then you destroy the options of making decisions under freedom.

iv. If you destroy your options you will eventually run out of options.
v. If you throw a decision back on the people which you should make you are a coward.

vi. When you have authority and fail to use it and throw it back on the people you admit your inability to fulfill the office you are supposed to function in.

2. No one can learn anything apart from humility.

i. Without humility in a class room you will make an issue out of authority.

ii. When a student makes an issue of self his is totally arrogant.

iii. Students in a class or institution must be told what the policies are not asked what they think on the policies.

iv. Authority may be good or bad but when in a system putting us under authority we simply have to submit to that authority or leave.

v. When you work for someone under his authority and don’t like him and that is not an issue

vi. The only issue is WHAT IS HIS POLICY and you then carry it out as unto the Lord.

vii. If you don’t then you have substituted false morality for true morality of Laws of Divine Establishment

viii. If you don’t like the policy then you can LEAVE but you have no basis for staying and fighting the policy or being underhanded or refusing to do the policy.

ix. This is why everyone needs military training when they are forced to be humble by their drill instructors.

x. Interlocking System of Arrogance is a national disease today and we see that in the distortion of authority in all aspects of our lives.

xi. It is arrogance to malign, judge, gossip about others.

xii. Whining is arrogance and those who whine about all their problems think others care about what ails them.

3. Humility accepts the authority of the Pastor Teacher to learn Bible Doctrine while arrogance resists the teacher and doctrine.

4. Legitimate authority enforces humility for perception.

i. The best professors were good in content and also demanded respect in class.

5. God the Holy Spirit must control the believer through Filling of God the Holy Spirit because Filling of God the Holy Spirit is enforced humility.

i. If you persist long enough under Filling of God the Holy Spirit then your arrogant self will be suppressed since this is as much enforced humility as a drill sergeant bracing you

6. Self discipline is the basis for concentration in life on anything.

i. The one with it has humility

ii. The one with humility and self discipline is a great lover.

iii. This one is a great administrator or in a profession since he can concentrate

iv. He learns to concentrate because he decided to concentrate.

v. As long as you concentrate you are under enforced humility and this makes you great in your job.

vi. When you make self discipline a habit it offsets the Interlocking System of Arrogance which is a habit also.

vii. With consistent Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine the Interlocking System of Arrogance will lose out.

viii. This causes radical personality changes in those who focus on humility, objectivity
and flexibility.

7. Self discipline is the basis for concentration on the teaching and communication of Bible Doctrine and it is the enforced humility of concentration for perception.
   i. When you are miserable all the time you are in arrogance
   ii. This is lack of concentration
   iii. You are arrogant if the only person you respect in life is self.

8. The same self discipline is the enforced humility for the application of Bible Doctrine to adversity.
   i. Without humility you cannot apply Bible Doctrine
   ii. Enforced humility is self discipline and this is the function of stage 2 of the Faith Rest Drill (4 categories) in concentration to apply Bible Doctrine.

9. Courage is the self discipline combined with enforced humility resulting in the ability to think under pressure.
   i. Arrogance cannot think or concentrate under pressure
   ii. People who cannot concentrate under pressure are cowards.
   iii. The thinking of Divine Viewpoint using the Faith Rest Drill (4 categories) and Rationales requires enforced humility.

XXVI. Entrance #23  The Arrogance of Emotion:

A. Principle:
   1. Negative emotion is that form of abnormal emotion which dominates the soul and replaces the truth of Bible Doctrine and any form of Laws of Divine Establishment discipline.
      i. You have freedom to make decisions:
         a. Wise decisions open options for future decisions
         b. Unwise or wrong decisions result in limitation of options and thus fewer decisions.
      ii. You cannot make good decisions under arrogance since that requires thinking.
         a. If you make decisions based on thinking they will be good decisions and open great options.
      iii. If your decisions are based on emotion then you cannot think since emotion does not think, then they will be evil decisions based on arrogance and they will close down options and you will have a miserable life till you die.
      iv. Emotion which dominates the soul replaces the thinking of the truth of Bible Doctrine or any form of Laws of Divine Establishment thinking.
   2. Emotion is normal only when under the authority of thought
      i. This is just as volition must be under both human authority in Laws of Divine Establishment and divine authority from Bible Doctrine.
      ii. Emotion is only normal when subordinate to thinking
      iii. Emotion is abnormal when related to Interlocking System of Arrogance
      iv. Fear and Cowardice are strictly negative emotion and there is no thinking in these.
   3. Under the conditions of fear and cowardice the thinking is suppressed by emotion which then dominates the soul and there is no rational thinking under pressure.
   4. When emotions dominate the soul and exclude any form of thinking the individual is divorced from reality and generally involved in Interlocking System of Arrogance
      i. This is why no one should marry their high school sweet heart since emotion in early life dominates the soul.
      ii. To be a good lover you must have humility.
      iii. Arrogance destroys the ability for a man to love a woman or for the woman to respond to the man.
   5. Fear and cowardice are negative emotions dominating the soul.
   6. Courage is thinking under pressure while cowardice is emotion dominating the soul under pressure making thought impossible.
   7. When a person (believer) becomes entangled in the Interlocking System of Arrogance
emotion automatically dominates the soul and thus substitutes unreality for reality making the believer vulnerable to fear, flattery, irresponsibility, sociopathic and psychopathic behavior

8. Humility is that state of soul where by the individual is oriented to reality through thinking.

9. The 2nd stage of the Faith Rest Drill (4 categories) is reverse concentration
   i. In this stage the believer uses the various developed rationales to stabilize the thinking and control the pressure situation.
   ii. To be able to use any rationales of Bible Doctrine one must be able to think Bible Doctrine under pressure and this is not possible when the soul is dominated by emotion.
   iii. This orients the believer to reality whether it is the greatness of God or his personal sinfulness

10. In each case of application of rationales the believer is oriented to reality whether his own sinfulness or the greatness of God is involved in his thinking.
   i. Guilt complex is a pressure of life and this is an emotion much stronger than what the word of God will allow us.
   ii. We must name our sins to GOD only and forget what we have done since God has already dealt with our failures.
   iii. If we try and try to assuage our guilt complex we are thus under domination of our emotion and thus arrogant.
   iv. Arrogance requires no thought but courage requires constant thinking.

11. Illustration of arrogance in emotion.
   i. The tongues movement in Christianity.

B. Principle:

   1. Emotional arrogance is always vulnerable to flattery because this encourages unreality with regard to self.
   2. Emotional arrogance is vulnerable to cowardice because emotion so dominates the soul the individual cannot think under pressure
   3. Emotion arrogance results in that form of psychopathic arrogance called neurosis.
      i. All neurotics are previously involved in emotional arrogance.
   4. Emotional arrogance is the status of man in which emotion dominates the soul rather than the thinking related to reality.
   5. The cure for emotional arrogance is discipline and authority resulting in enforced humility for the believer accepting the teaching authority of the Pastor Teacher.
      i. The greatest thing for children is to have strict parents who force the child to respect them.
      ii. Enforced humility + Real Humility == Spiritual Growth in Grace.
      iii. When enforced humility becomes real humility you have advanced to Spiritual Maturity.
      iv. No one ever advances in the Plan of God nor reaches Spiritual Maturity without enforced humility.
      v. You MUST humble yourself under the mighty hand of God which is Bible Doctrine taught by someone you think is a jackass.
      vi. Being tough on those under you will not win you a popularity contest but will develop humility in those under you.
      vii. When those under you begin to respect and love you then they have developed real humility.
      viii. You can get much much more out of those under enforced humility than you can out of those under arrogance.

6. Emotional Arrogance not only eliminates rational thinking in the Stream of Consciousness of the Soul but produces arrogant preoccupation with the insignificant.

7. Arrogant preoccupation with the insignificant not only destroys any true scale of values in life but develops an arrogant self centeredness which destroys capacity for life, love, and
happiness.

8. Details of life are the means of living but must be neither the basis nor motivation nor capacity for living
   i. Thought is motivation for life.
   ii. Food, shelter, clothing are details.

9. When you are motivated for living because of details of living such as food, transportation, fame etc you have used arrogance to eliminate capacity for life.
   i. You have used your own arrogance from your own volition and the Old Sin Nature to destroy your capacity for love and happiness.
   ii. No one can become arrogant from someone else's influence but only from personal volition.
   iii. Many marriages go bad because arrogance emphasizes details of life.
   iv. Humility emphasizes capacity
   v. With capacity you can enjoy details
   vi. Without the capacity of thought details will make you miserable.

10. Knowledge is the environment for thinking NOT EMOTION.

11. Emotion cannot produce either vocabulary nor rationales for application to life.
   i. You can have all the accoutrements of life and still be miserable with them all since you will have no capacity without thought.
   ii. All you have done is feed your arrogance since it will always be hungry and you will be miserable.
   iii. You have no thought and are not in any way prepared to meet civil war, revolution, world war or any other disaster.
   iv. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul gives us the ability to think and without the accoutrements of life we can still have ultimate happiness.

12. Bible Doctrine is the environment for decisions not emotions.
   i. Emotions are the result of thinking and the nervous extension of thought in the Stream of Consciousness of the Soul
   ii. Emotions are designed to allow us to enjoy life.

13. If you make decisions based on emotions you limit your options for the function of freedom till you run out of options and have only Divine Discipline and Sin Unto Death to terminate your misery of life on this planet.

C. Principle:
1. Emotional Arrogance converts reality into illusion and hallucination.
   i. This can be done physiologically through drugs just as it is done spiritually through Interlocking System of Arrogance.
2. It fantasizes and collapses under pressure
   i. People who fantasize cannot take pressure and it destroys them and they have no thought to reach out and smack down pressure.
3. In time of disaster emotion possesses no capability for coping with the situation and pressure results in the retreat from reality and the greater the retreat the closer you come to psychosis.
4. Emotional arrogance inevitably interlocks with psychotic arrogance.
5. This is why arrogance is stronger than good, love and why it is stronger than good even perfect environment.
   i. This is why people reject and conspire against good government.
6. Arrogance is the factor when Adam and Ishah were in the garden and they rejected the perfect environment of the garden of eden because of it.
   i. Each faced the issue and failed because of arrogance.
   ii. The woman wanted to be smarter than God.
   iii. The man chose the woman outside the garden and the perfect environment rather than the perfect environment.
7. Eschatologically the last revolution in Human History is the arrogance of rejection of the
perfect environment of the millennial reign of Jesus of Nazareth, The Christ.  
   i. To the extent you are in Interlocking System of Arrogance you are without 
happiness and the longer you are in Interlocking System of Arrogance the more 
intense your unhappiness.  
8. All revolution is the arrogance of rejecting the good environment of Laws of Divine 
   Establishment government and substituting the evil environment of tyranny.  
   i. Revolution can only produce tyranny  
   ii. It is anti God and Anti establishment.  
9. Revolution could not exist without crusader, criminal, conspiracy, political, client nation, 
   authority, ignorance and power, iconoclastic, unhappiness, and above all emotional 
arrogance.  
10. Emotional arrogance always rejects legitimate authority in life.  
11. Iconoclastic + Emotional arrogance == total confusion and disorientation to life.  
12. Emotional arrogance results in people believing the absurdities of life.  
   i. Once this occurs people lose all sense of responsibility and integrity for the 
   function of the client nation.  
   ii. How could anyone vote for Barak Obama or Bill Clinton 2 times???

   by persuasion), I will sit on the mount of the assembly (SCH trial area) in the recesses of the north (he will change 
   God’s Mind)., 
   v14: I will ascend above the heights of the clouds (winning the Appeal Trial) I will make myself like the most high 
   God (take the authority from God)  
   i. Original Arrogance of satan which began the whole problem.

XXVIII. Applications:  
A. Flaws are failures of character  
   1. Apart from the Old Sin Nature functions of arrogance all the areas of sin and Human 
   Good are secondary as related to pride.

   complex and then into evil so that every facet of life whether sin or Human Good is all 
   part of the structure of evil which is satan’s policy.  
D. Arrogance is never a single function:  
   1. It is analogous to the complex operation of firing a 1911 a1 pistol.  
   2. The challenge which depresses arrogance forces it into contraction and then sudden 
   expansion releases a chain reaction producing one or more of the categories of arrogance.

arrogance.
