

Basic Muslim Doctrine

Why did Bin Laden attack the USA.

UNDERSTAND, I am a Christian but I have no difficulty if you are NOT. That is YOUR decision and yours alone. I will not try to convert you it is up to you to discover the truth of God and learn about him in your time. It is NOT my place to shove Christianity or my love of God down your throat.

I am sure there are many reasons political and economic etc., but here is something which we might just think about. This is from a HISTORICAL perspective and a BIBLICAL doctrinal perspective:

The various nations of the world today are often assigned the responsibility of protecting and disseminating the doctrines of the one true God, of Abraham, Isaac, and Jacob. The USA has held that distinction for most of its history. It is NOT a CHRISTIAN nation but receives its blessing because of the Believers who complete the Plan of God for their lives in this dispensation of human history. This was the same status Israel HELD in the dispensation of Israel or the Old Testament TIMES. Just as with Israel, when the general population fails to follow the laws of God and the rules of his doctrine (which DOES NOT mean they must be Christians) the nation was and is disciplined to the point of destruction if that nation is degenerate enough. That is our status today in the USA. We are under what is called by some the 5th (and final) cycle of discipline for our nation. It is seen in the rule of crime in our streets and in our government and in every facet of our lives. Principles of Establishment are ignored, HONOR and INTEGRITY of the individual is a thing of the past, degeneracy in every form is accepted and even condoned. The truth of God is ignored. We are now in a holy war proclaimed against the whole of the USA by our attacker Bin Laden.

WHY?

BASIC Doctrine of the Muslim

- a. They are most strongly against suicide in any form.
- b. HOWEVER the most honorable thing they can do is KILL A CHRISTIAN
- c. WORLD Muslims regard the USA today as a Christian nation.
- d. The vast majority of them have mental processes which are TOTALLY EVIL.
 - i. Evil is the thinking process which results in motivation and action to correct world wrongs or produce false goods.
- e. They consider it a great honor and privilege to kill citizens of the USA today who to them are ALL CHRISTIANS.
- f. The planes of the type used in the WTC disaster were practiced on in Afghanistan on airfields there until the pilots learned to fly them well enough to take off and guide them to their targets.
 - i. They got all this information by training here in the USA and practicing in Afghanistan until they were ready.
- g. They were motivated to give their lives to destroy other people because it was their way to go to HEAVEN.
 - i. The only way to prevent them from going to heaven is to bury them in a

Pig Skin.

- h. These men ARE truly HEROS in their countries because of this, and in other Muslim countries where they have been.

Just think about it.....

They kill us and they believe they are going to spend eternity with wine women and song in the presence of their God.
