New Years Eve Special 2013  
RBT III**

**Please refer to the other files on this site for expanded translations of the verses not specifically referenced here.**

**Lesson #1      Job 1:1**

- I. What is happening to the United States of America
  - A. There is a creeping loss of freedom
  - B. There is a great overreach of government
  - C. There is loss of privacy
  - D. There is a lack of integrity
  - E. Sin is an anachronism to most people
  - F. There is a war on Christianity
  - G. **The Laws of Divine Establishment including volition, marriage, family and nationalism are no longer sacrosanct in the United States of America**
    - 1. When these laws designed by God to protection, orderly function and perpetuation of the national entity and Human Race are mocked or disregarded then the result is confusion, frustration, and despair in the country and souls of the people.
    - 2. Our nation is doing just this.
    - 3. WE see degeneracy everywhere and have leaders who mislead and even lie as policy
    - 4. We see a bankrupt nation with insurmountable debt
    - 5. We promote homosexuality and witness countless broken homes and families
    - 6. We see escalating violence everywhere
    - 7. Churches fail miserably to teach the word of God.
- H. Under a thin vainer of abundance and prosperity lies decay in all strata of society in the United States of America.
  - 1. Cultural, social, economic, military, political, judicial.
  - 2. Humanism is the predominate thinking in the public forum of our society
  - 3. Environmentalism and a new God and Christianity is attacked because it is clinging to the bible and opposes the direction we see our nation going today.
  - 4. **The American dream today is receiving FREE ENTITLEMENTS**
  - 5. People don't care that welfare and government entitlements have become the highest goal and security in life and don't care that someone else must pay for their lethargy.
  - 6. Taxes increase in the working populace in order for the government to provide more handouts.
  - 7. The rich are vilified as leaches in society who hoard all the money in society which justifies redistribution of wealth which is in fact government theft.
  - 8. The true result is soaring national debt and the welfare system we have is unsustainable and thus poverty increases constantly.
  - 9. In the end there will be economic collapse and rise of tyrannical government as seen historically.
- I. We also showing weakness in the face of foreign challenges to national security.
  - 1. We are powerless to stop Iran to gain nuclear weapons and intimidation of North Korea
  - 2. Islamic terrorism is alive and well and an imminent threat.
  - 3. Russia and China have more influence in the world than the United States of America.
  - 4. The military is now a laboratory for social change.
  - 5. The United States of America is wavering very much in its support of Israel and this is a corner stone of the client nation to God.
- J. This is reflected in personal lives.
  - 1. Escape to pleasure is the only agenda for many many people.
  - 2. People rely on self gratification to avoid the reality of their unhappy personal

circumstances.

3. The indulge in alcohol and drugs and promiscuity for pleasure
4. These all fail to fulfill expectations of happiness and satisfaction and contentment.

**K. Bible Doctrine is denigrated as ineffective and thus there is no advancing Spiritual Life among believers**

1. There is no Divine Viewpoint to counter the Cosmic Dynasphere in the souls of believers.
2. The substitute is political activism and emotional experiences in our churches such as speaking in tongues, healing, contemporary music and meaningless services.
3. Believers are thus ill equipped to handle the problems of the society at large.

**L. We as a people and nation are headed toward disaster of monumental proportions and the question is ARE YOU READY FOR THIS DISASTER.**

1. **Can you face the disintegration of everything you have known in life.**
2. **Are you ready for freedom to be severely limited or disappear**
3. **Are you prepared for military reverses or terrorism in your own area**
4. **Are you ready to be persecuted as a Christian.**
5. **The only real lasting solution to these problems is a spiritual one.**

**M. The prime objective for 2014 is to be prepared for adversity or disaster which may come in the near future whether personal or national.**

1. 100 years ago in Aug 1914 began one of the greatest disasters the world has ever known called World War I.
2. We must be trained in Bible Doctrine so that we can apply the principles of Bible Doctrine to handle whatever may come.

**II. The greatest disaster in history and how this believer handled it; Job.**

**A. Jare == Reverence or respect for God**

1. Job received massive amounts of Bible Doctrine some received from God himself **Job 38-39**
2. He followed all the rituals prescribed by God.
3. He had maximum Metabolized Bible Doctrine in his Stream of Consciousness of the Soul and would need it for the disasters which would come to him.
4. He was very successful with great lands and successful business and a large family.

**B. Satan accused Job and God permitted the adversity to job in order that God might be glorified and Job vindicated.**

1. This was a test of the effectiveness of the word of God and the Spiritual Life of Job.
2. The disasters God allowed occurred all in one day and Job was wiped out in every area of prosperity **Job 1:13-21**.
3. His servants were massacred and livestock stolen and then a his sheep and more servants killed by a fire, then the Chaldeans stole his camels and more servants were killed and a storm hit and destroyed his house and killed all his children.
4. The only thing left to job was his wife and she was a liability when job lost his health in **Job 2**.

**C. Job fell into terrible grief for his losses **Job 1:20** but he never forgot his Bible Doctrine and his Spiritual Life carried him through the tears**

1. He never wavered in trust of God even through such disasters and continued to trust in God through this whole nightmare.
2. He made one of the greatest statements of Grace Orientation ever made by anyone.
3. Job recognized that god's grace was greatest in the greatest weaknesses and disasters.

**Job 1:1-**

**v1: There was a man in the land of Uz (Syria or Edom), whose name was Job; and that man was blameless, upright, with experiential righteousness, a Spiritually Mature believer with Divine Viewpoint in his Stream of Consciousness of the Soul, having ultimate respect for God whom he knew and loved with Reciprocal Love for God, turning away from evil.**

**v21: And he (Job) said, "Naked I came into this world from my mother's womb, and naked shall I return (at death), The Lord Gave (Life at Birth), and the Lord has Taken away (Physical Death), blessed be the name of the Lord**

**v22: In all this Job did not sin nor blame the Lord.**

**Job 2:9-10**

v9: Then his wife said to him, "Do you still hold fast your integrity? Curse God, and die."

v10: He said to her, "You speak as a silly woman would speak. Shall we indeed accept good from God and not accept adversity", In all of this Job did not sin with his life.

- D. Then comes the new set of problems in 3 close friends
  - 1. True friends are those who remind us of Bible Doctrine when we need our lives stabilized.
  - 2. Those who stand by you no matter what occurs are true friends.

**Job 2:11-**

- E. Thanks to his friends he got his eyes on himself and began to blame himself.
  - 1. He took full responsibility and did not try to push his problems off on others.
  - 2. He then cursed the day he was born.

**Job 3:3-**

v3: "Let the day perish wherein I was born, and the night which said, 'A man-child is conceived.'

v4: Let that day be darkness! May God above not seek it, nor light shine upon it.

v5: Let gloom and deep darkness claim it. Let clouds dwell upon it; let the blackness of the day terrify it.

v6: That night -- let thick darkness seize it! let it not rejoice among the days of the year, let it not come into the number of the months.

v7: Yea, let that night be barren; let no joyful cry be heard in it.

- F. This was a case of extreme deprivation but was NOT a sin of blaming God for the problems.
  - 1. Without Bible Doctrine people always blame God.
  - 2. Job was confused by these events but did not blame God for his problems.
  - 3. Job was questioning what he had done wrong and took total responsibility for his problems.
- G. God does in fact allow evil to happen and it is already in this world and Satan as the head of this fallen world promotes EVIL as his policy.
  - 1. There is no evil in God nor does he ever sponsor evil, **Ps 5:4, thus blaming God** for any problems we have is saying God sponsors evil.
  - 2. In the Plan of God even evil in this world works to our advantage. **Rom 8:28**
- H. Principles:
  - 1. Job knew in his Stream of Consciousness of the Soul and was convinced that the Plan of God was always right and correct and never questioned God.
    - i. This is the beginning of application of Bible Doctrine.
  - 2. Job thought he had sinned and this was his only concern
  - 3. He said if he was not in sync with the Plan of God he believed it would have been better for him to never be born.
    - i. Job did not want to fail God.
    - ii. This was a disaster no believer wants to shoulder and he would not do this.
  - 4. He was correct in the importance of the Plan of God and he would come to understand that the Plan of God includes disaster and adversity and things we would not rather have happen but **Rom 8:28** shows it is all for our benefit.
  - 5. Job did not need to lament or place blame but simply needed to wait and be patient and watch the Plan of God unfold in his life.
    - i. As long as we live God has a plan for our life.
  - 6. Job's Motto was "Blessed be the name of the Lord NO matter what happens"
- I. Eliphaz was the epitome of the Self Righteous believer who made the assumption erroneously that Job had sinned and told this to Job.
  - 1. In spite of his wrong conclusion he actually gives him some solid doctrinal information.

**Job 5:8**

V8: "As for me, I would seek, or inquire of or consult with Positive Volition, God for salvation, for his will, and I would commit or place my cause with the Faith Rest Drill 4 Stages before God; (this is how to meet and overcome problems)

- 2. He told Job to rebound if needed and bring his problem to the Lord

3. Then apply Bible Doctrine and leave the outcome in the hands of the Lord.
4. This is the formula for the Relaxes Mental Attitude under pressure and this is the best thing we can do in adversity and disaster.
5. Job could say with a Relaxes Mental Attitude “why should I worry it does not help”
  - i. This works both in disaster and adversity.

## Lesson #2 Job 5:8

- I. How to handle adversity and disaster in life:
  - A. Job is probably one of the greatest believers in Human History to handle disaster.
    1. God allowed these disasters to happen to Job to allow him to become a great witness for God in the Angelic Conflict.
    2. **Ultimately he understood that the Grace of God was entirely sufficient for his life.**
    3. The Plan of God even though not always understood at the time was in his best interest.
    4. Job ended up depending solely on the Plan of God rationale from the Metabolized Bible Doctrine in his Stream of Consciousness of the Soul.
    5. He offered proof of the all sufficiency of the Plan of God and word of God in the Angelic Conflict.
    6. Not understanding all the reasons for the hardship and suffering in his life all at one time he still stood up under pressure being oriented to the Grace of God and Bible Doctrine of the word.
    7. ***Even the greatest disasters which life offer to you is a great opportunity for spiritual growth through our continued Grace Orientation attitude.***
    8. ***When personal disaster strikes us we don't always comprehend God's purpose in our suffering which is generally to learn to depend on him and apply his doctrines.***
    9. Job's focus like ours must be on the Lord not the circumstances in life.
    10. **The great enemy of all believers is reactive emotionalism**
  - B. Principles:
    1. *Emotionalism is the opposite of Job 5:8, seeking the Lord and putting your case before him.*
    2. *Emotionalism is an extreme and unhealthy indulgence in emotion.*
      - i. *Emotion is a great appreciator but when it gets out of control it stifles thinking and prevents application of Bible Doctrine*
    3. **It brings irrationality which contradicts the stability of Divine Viewpoint.**
    4. **It is the enemy of using the Spiritual Life to overcome adversity and disaster.**
  - C. In spite of his grief and legitimate sorrow Job kept his focus on God and placed himself in his hands.
    1. Our focus must be on the Metabolized Bible Doctrine in our Stream of Consciousness of the Soul
    2. We must consult the Lord from his Bible Doctrine consistently.
  - D. For believers there are certain forms of Positive Volition which are inadequate for crisis, semblances of Positive Volition which demonstrate failure of believers:
    1. **Positive Volition Based on a flash of emotion**
      - i. These believers are temporarily inspired for the Lord.
      - ii. This cannot be sustained
      - iii. These believers become distracted by circumstances and this is a false Positive Volition and is unstable.
    2. **Positive Volition which occurs when disaster occurs manifesting itself by seeking a quick solution from God by finding the easy way out.**
      - i. “GOD make is stop hurting”
      - ii. These believers turn to the Lord but with impatience and they implore the Lord to solve immediately the current dilemma
      - iii. They pray for relief and apply Bible Doctrine to the crisis but won't continue with

- Bible Doctrine consistency
- iv. Job asked for teaching and correction in his life (Job 6:24) and wanted to be show how he erred and wanted to get back into the Plan of God.
- v. Job had difficulty in understanding his disasters (Job 7:11) and at times he was overwhelmed by bitterness and self pity which solves nothing.
- vi. There are always pivotal moments in suffering when we must recover from our doubts and keep moving in our Perception, Cognition, Incultation & Metabolization and application of Bible Doctrine.
- vii. We must continue to trust in the Lord as his support never disappears.
- viii. We must leave behind our grief and anger and move ahead with consistent Positive Volition to Bible Doctrine despite our situation.

3. **The Nod to God crowd**

- i. They are very intermittent in their Perception, Cognition, Incultation & Metabolization of Bible Doctrine.
- ii. They absorb the bear minimum of Bible Doctrine to make sure God is on their side and will bless them.
- iii. They are generally on the verge of some big deal of prosperity and are looking for God to bless them because of this temporary orientation to him.
- iv. As their prosperity increases their Positive Volition wanes again and they get caught up in materialism and their volition fails and the Spiritual Life becomes negative.

4. **Those with a traumatic experience**

- i. They become involved in some debilitating overt sin and their life has fallen to the pits.
- ii. They try everything to fix their destroyed life but it all fails.
- iii. Their Positive Volition seeks a shock treatment from God and they basically have been traumatized into Positive Volition
- iv. They false into a Spiritual Life and some will stick in the Spiritual Life and some will not.
- v. Job had consistent Positive Volition and is found in believers who use rebound consistently and who in both good and bad times seek the word and Plan of God in all situations good and bad.
- vi. Prayer is fine for relief of pressure but it is better to pray for guidance in adversity.
- vii. Prayer as in Job 5:8 urges us to throw our cause on God in times of unrelenting suffering as in Ps 40:4
- viii. We must avoid Human Viewpoint and throw our cause onto God.

**Job 5:9**

**v9: I commit my cause to he who does great things and unsearchable things without human merit, marvelous or miraculous things without number (GRACE in the life of the believer in or out of fellowship):**

- E. God provides from his omnipotence where nothing exists.
  - 1. God bestows in the lives of maturing believers great and unsearchable things and wonders without number.

**Job 5:10-16**

**v10: he who gives rain upon the earth and sends waters upon the fields providing prosperity to the agricultural economy; (God's benevolent Deeds)**

**v11: he sets on high those who are lowly, he glorifies and prospers those oriented to Grace, and those who mourn are lifted to peace.**

**V12: He frustrates the devices of the crafty, so that their hands cannot achieve success.**

**V13: He takes the sneaky ones in their own craftiness using their devices to ruin you for their ruin; and the schemes of the contentious and implacable are brought to a quick end.**

**V14: They meet with darkness in the daytime going in a fog, and grope at noonday as in the night being disoriented.**

**V15: But he delivers the humble person oriented to grace from the sword of the mouth of the trouble maker, the needy from the hand of the mighty or powerful.**

V16: So the humble oriented to grace or one without resources have hope, and injustice or iniquity neutralizes what is said.

2. He encourages and helps those who are down trodden and in need.
3. **He frustrates the deceivers and those who perpetrate disaster on the believers including the greatest perpetrators of disaster the government.**
4. **He delivers those who are slandered and without refuge.**
5. **He delivers in disaster because he and he alone can accomplish these great things**
6. **Mark 10:37 reminds us that NOTHING is impossible with God.**
7. **God will be the cause of snatching away or deliverance from impossible disaster.**

F. The promises of God for deliverance ***ARE REAL*** but the believer must have in his Stream of Consciousness of the Soul assurance to apply that Bible Doctrine rationale.

1. Otherwise the believer will become bitter, resentful and blame God and turn to Human Viewpoint as a solution which does not work.

G. 4 common catastrophes mentioned for all believers:

1. **Famine**
  - i. Financial problems personally or nationally both of which can effect your family
2. **Warfare**
  - i. You may or may not be experiencing war but the nation is facing an implacable foe.
3. **Scourge of the tongue**
  - i. We may or may not be the object of slander or maligning but at some time you have or will.
4. **Facing Death**
  - i. Sooner or later we all do.
5. These can be personal or national or both.
6. ***V19 tells us that EVIL will not touch us so long as we remain consistent with Bible Doctrine.***

H. Principles:

1. *Metabolized Bible Doctrine protects the mentality of our Stream of Consciousness of the Soul from emotionalism.*
2. *The disaster will not have an evil effect on our attitude nor our Spiritual Life, if it did we would have no way to overcome it.*
3. *Without Bible Doctrine we will become uncertain, reactive, miserable and angry at God, this is evil.*
4. *Anger toward God leads to bitterness in the Stream of Consciousness of the Soul which is an evil effect leading to disaster in the Stream of Consciousness of the Soul and in the Spiritual Life.*
5. *If you are advancing in the Spiritual Life disaster will not warp your soul nor destroy your life.*
6. This is easy to say but to practice this is much more difficult.

II. The 4 general disasters

A. *We must never allow evil into our thinking nor the course of our life. (See a definition of evil as Human Viewpoint or the policy of Satan and the Cosmic Dynasphere)*

B. **Famine which is economic disaster in the agricultural economy.**

1. This is failure of crops resulting in hunger or starvation.
2. *Today it is more than loss of food but is depression or recession and general economic disaster both personal or national or both.*
3. *You don't need to have a crystal ball to know that our economic situation is without hope.*
  - i. *The more who stop looking for work the more who enter welfare the greater the taxes increase to pay for this.*
  - ii. *This becomes a vicious circle of loss of employment, lost of incentive, exorbitant taxation, a deteriorating business climate and mounting national debt totally*

- linked.
- iii. *Ultimately the whole economy will break down.*
  - iv. *Without reducing government spending or entitlements the debt will overrun us and this is our FAMINE.*
  - v. *Government structure today has become an octopus of bureaucratic tentacles without regulation and this type of government cannot solve problems but it is the problem.*
  - vi. *The politicians cannot admit the looming disaster for fear of losing their power.*
  - vii. *WE listen to their deception and lies and fall into lies and they prefer living on other peoples money and like the entitlements and this false safety net and entitlement mentality is a national disaster.*
  - viii. *When this collapses we see from the trends of history there will be blood in the streets from riots, looting, Mayhem and WORSE as we see in Europe.*
4. **The promise of God is that he will redeem actually deliver the maturing believer from death**
- i. *The believer will be delivered out of harms way.*
  - ii. *This does not mean we will have money when others are totally broke.*
  - iii. *This is not necessarily a promise of no discomfort or hardship but a promise of deliverance from death.*
  - iv. *He will deliver us from death in order that we might fulfill his plan for our life until it is time for us to leave this earth.*
5. **Principle of Deliverance from famine or death**
- i. **God in his grace has a plan and purpose for each maturing believer even in disaster.**
  - ii. **He will protect and deliver you through anything so that you might fulfill that purpose.**
  - iii. **If he has a plan he wants you to fulfill it and he will provide the means to do it.**
  - iv. **You can be caught in the pressure and adversity of the disaster but just because our plan is not working this does not mean his will not.**
  - v. **He will provide the means of living in order to preserve you to fulfill his plan.**
  - vi. **If you are fulfilling Job 5:8 and seeking and inquiring of God he will take you where you need to go.**
  - vii. **Not running from the circumstances but relaxing and facing the circumstances fulfilling God's purpose and plan for you through the disaster.**
  - viii. **When you place your cause before God Adversity will be the most exciting time of your life if you are prepared but this is only for the believer with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul 1Pet 5:7**
  - ix. **Evil will never have any effect on you.**
6. **Principle of Death redemption or deliverance:**
- i. **No believer can be removed from this life by economic disaster unless God permits it.**
  - ii. **Therefore as long as you are alive God has a plan for your life and God will deliver you from your demise in depression.{**
  - iii. **God in his matchless grace will physically provide enough for you to carry out his plan.**
  - iv. **If you die you die as ESTHER said but if he does not take us out of life then we will be provided for until we complete his plan.**
  - v. **This is our status regardless of our personal current condition.**

Job 5:19

v19: From six crises, catastrophes or disasters, he will deliver or rescue you, mature Believer, furthermore in seven the evil of satanic Doctrine will not meddle with nor touch or produce its desired effect on you,

v20: In famine or economic disaster he will redeem or deliver or purchase or preserve you, Mature Believers, from death, In war or military Disaster from the power of the sword in battle,

**Lesson #3 Job 5:21**

- I. Job in disaster had a Relaxes Mental Attitude in disaster by placing himself in the hands of God.
  - A. *Nothing is impossible with God.*
    1. *He can bless you and you can still have adversity and still receive blessing.*
- II. The 4 general disasters continued:
  - A. **War or pressures of combat of any kind, he delivers from the powers of the sword.**
    1. *God protects the Christian soldier in combat.*
    2. *This is a promise to civilians caught in the middle of a war.*
    3. *We have not had war in the United States of America but now we have war on our doorstep and in our own backyard.*
    4. *All our security measures in place do not guarantee immunity from war.*

**Deut 20:4**

- v4: For the Lord your God is the one who goes with you to fight for you against your enemies, to save or deliver you.
6. *Training for war makes great warriors and training in Bible Doctrine produces great and prepared believers for anything.*
  7. *The believer prepared with Bible Doctrine is in Job 5:22 we will laugh at violence:*
    - i. *This means having a sense of humor or a Relaxes Mental Attitude under greatest possible pressures.*
    - ii. *Laughing indicates an inner tranquility and the believer using Faith Rest Drill (4 categories) and has Grace Orientation and a Personal Sense of Destiny and having Spiritual Self Esteem who is occupied with the person of Jesus of Nazareth, The Christ is one who is growing in the Spiritual Life to Spiritual Maturity.*
    - iii. *Such a believer can smile under the pressures of life and is the picture of confidence in the midst of violence*
      - a. *This is a great soldier in leadership and is calm when pressure is greatest.*
      - b. *Believers with a strong mature Spiritual Life should be very calm under great pressure.*
    - iv. *Believers respond to disaster with joy from Sharing the Happiness of God through Divine Viewpoint in the Stream of Consciousness of the Soul.*
      - a. *We must have Divine Viewpoint thinking in our Stream of Consciousness of the Soul to focus on instead of on our pressures.*

- v. *We will not opt for security over freedom which is what terrorists want.*
- vi. *Fear will be offset by focus on the promises and rationales of the Faith Rest Drill*

*(4 categories)*

**B. The scourge of the tongue or verbal sins of gossip, maligning, slander, lying deceptions.**

1. These are designed to destroy their target.
2. We will be hidden from the scourge of the tongue.
3. Today we see Christians and Christianity being constantly vilified and condemned in favor of islam this will never effect us.
4. If someone is jealous or angry they will inevitably employ verbal sins against you.
5. *God will not hide you from angry jealous people who will talk about you.*
6. *You hide yourself by:*
  - i. *Exercising Positive Volition toward Bible Doctrine as in Job 5:8*
  - ii. *If you have Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you will have secured your own hiding place as it is a mighty fortress in your Stream of Consciousness of the Soul.*
  - iii. *When you fulfill Job 5:8 and pursue Bible Doctrine you have hidden yourself from any verbal assault.*
  - iv. *When you are hidden verbal assaults do not intrude on your self esteem and your self esteem is not lowered because someone has a bad opinion about you and says it to others because we have Spiritual Self Esteem from Bible Doctrine.*
  - v. *Instead of wearing feelings on our sleeve and reacting with emotionalism and desiring retribution against the scourger we will continue in a Relaxes Mental Attitude and rise above the pettiness and vindictiveness.*
  - vi. *We will realize the more we are slandered the more blessing you will receive from the Lord and when they curse you they bless you and curse themselves with their slander.*
  - vii. *If you don't have Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you will not be able to hide yourself and will be hypersensitive and vulnerable to vengeful motivations.*
  - viii. *If you don't hide self you will react with Mental Attitude Sins from self pity to bitterness to hatred to vindictiveness and this is a horrible way to live.*
  - ix. *If this is the case your Spiritual Life will go down I flames when you seek to vindicate and justify self when slandered.*
    - a. *God always vindicates us and this is the heritage of the believer and nothing can assail you neither liable nor defamation of character.*

**C. DEATH**

1. **Violence is seen in military disaster in war but it can take place anywhere.**
2. **Drivers with road rage, knockout games, gang shootings, terroristic bombings, etc.**
3. Nations in decline will experience escalating crime and murders.
4. There is also terrorism
5. Then the instrument of death such as guns will be blamed instead of the real cause the depravity of the Old Sin Nature.

11. **How hard is it to look a the Human Race and not realize that man is NO DAMNED GOOD.**
12. **This world is not becoming a less violent place,**

Mark 13:7

v7: and when you hear of wars and rumors of wars do not be frightened for those things must take place.

- i. This is for the tribulation specifically but if this is for the future then what will occur until then is also similar.
  - ii. There will never be peace in our time ever.
  - iii. There will always be conflict and war in the world until the millennial reign of Jesus of Nazareth, The Christ.
13. We have people with no sense of reality in our government
  14. ***Believers do not ever have to be frightened by the vicious evil propensities of man including vicious murderous violence.***
  15. Violent death is often seen as the greatest catastrophe of life and the fear of this type of death is extensive and the pain of death is dreaded and everyone wants to die in their sleep or not at all.
  16. Such constant fear of violence belays happiness and contentment in life.
  17. **You cannot have fear and a Relaxes Mental Attitude as they are mutually exclusive and only Metabolized Bible Doctrine in the Stream of Consciousness of the Soul will bring the Relaxes Mental Attitude**
  18. **The believers has nothing to fear in life ever if he is prepared from consistent Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine and this includes Sharing the Happiness of God**
  19. **With this attitude of maximum of contentment and joy in the Stream of Consciousness of the Soul you can equate adversity with prosperity and it does not matter.**
  20. **You can equate living with dying Heb 12:2**
