- v4: Their (REVERSIONISTS) suffering and discipline will be multiplied who (Saul's Army and the next 6 years of his civil war) are hasty to go after another god or false doctrine or false system or to put something before the Lord; their drink offering or libations of blood offered to idols I David, will not accept, nor will I, David, even take their religious idol names upon my lips. Ex 2:13
- v5: The LORD and only the Lord, the portion of my eternal inheritance and of my varying cup of life from grace and divine blessing; You maintain or constantly hold securely what belongs to me or my inheritance. John 10:28

- v11: You will make known to me or cause me to know (Bible Doctrine) the path of life or Plan of God, in your presence there is fullness of joy or superabundance of happiness, at your right hand in eternity are pleasures forevermore.
