v1: Only toward God alone my soul waits in silent resignation for my death; from him comes my deliverance.

v2: Only He, Jesus of Nazareth, The Christ, my rock and my deliverance, my security; I shall not be greatly moved or shaken.

v3: How long will you attack a man unjustly, all of you shall be violently killed or murdered by means of the Sin Unto Death, you are like a bulging wall, a tottering pushed in fence?

v4: Only the men of Kelah plot to overthrow him from his exalted status of honor from Occupation with the Person of Christ in super-grace, They take great pleasure in deceit and falsehood and maligning. They bless with their mouths, but revile him inwardly. [Selah]

v5: My Soul waits in silence for or submits to the Plan of God alone, for my confidence is from him.

v6: Only He, Jesus of Nazareth, The Christ, is my rock or place of security and my deliverance, my security; I shall not be greatly moved or shaken.

v7: On Elohim rests my deliverance and my honor; Elohim is the rock of my refuge

v8: By means of the function of the Grace Apparatus for Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine Trust in the Lord at all times, O people of Kelah; Get rid of the problems from your Right Lobe of the Stream of Consciousness of the Soul onto him; God is a refuge for us. [Selah]

v9: Absolutely, emphatically, dogmatically, Men of low degree or trashy people are empty, men of high degree or aristocrats are a lie; in the balances they go up because of emptiness all together in comparison to the super-grace believer.

v6: Only He, Jesus of Nazareth, The Christ, is my rock or place of security and my deliverance, my security; I shall not be greatly moved or shaken.

v7: On Elohim rests my deliverance and my honor; Elohim is the rock of my refuge

v8: By means of the function of the Grace Apparatus for Perception, Cognition, Inculcation, Metabolization & Application of Bible Doctrine Trust in the Lord at all times, O people of Kelah; Get rid or pour out of the problems from your Right Lobe of the Stream of Consciousness of the Soul before or onto him; God is a fortification or wall of fire or refuge for us. [Selah]

v9: Absolutely, emphatically, dogmatically, Men of low degree or trashy people are only worthless or empty, men of high degree or aristocrats or rank are a lie; in the balances of the scale they tilt or go up because of emptiness all of them together are lighter than and invisible as breath in comparison to the super-grace believer.

v10: Do not trust or depend upon the violence and oppression of the tyrant extracting liberty from others, furthermore do not become foolish or vaporous or vain about plunder; if wealth or promotion or success increases do not make it the center of your norms and standards in life or your happiness.

v11: One Doctrine Elohim has spoken; two doctrines I have heard under the Grace Apparatus for Perception: First namely that power belongs to Elohim (Not Saul);

v12: Also Grace or steadfast love belongs to YOU oh Jehovah. For you, Jesus of Nazareth, The Christ, has prospered a man according to his concentration or thinking or Occupation with the Person of Christ .
