

Time of Crisis

There is historical precedent for our situation today. There is historical evidence regarding what happens to nations who have allowed themselves to sag to the depths of social degeneracy and ignorance of the doctrines of God, rejecting divine establishment principles and the rule of LAW in the nation as a preservation of freedom for the people. If you don't study the bible and the doctrines of God, stop for just a second and ask yourself WHY, then just read this and treat it like any other commentary you are reading today. History is Loaded with this precedence, this is but one example.

Is 37:1-3

- v1: Now it came to pass in the 14th year (701 BC) of king Hezekiah, that Sennach'erib king of Assyria attacked all of the fortified cities of Judah and captured them.**
- v2: And the king of Assyria sent the Rab'shakeh (his representative) from Lakish (one of the many cities he had already conquered) to King Hezeki'ah at Jerusalem, with a great army. And he took a stand by the channel of the upper pool on the highway near the laundry water supply.**
- v3: Then Eli'akim the son of Hilki'ah, who was over the household, and Shebna the secretary, and Jo'ah the son of Asaph, the royal historian came out to meet him.**

Is 37:34-38

- v34: By which we advance (spiritually) by the same he shall retreat, Therefore he shall not advance to this city, this is the dictum of the Lord.**
- v35: Consequently I will throw a shield over the city to deliver it, because of me (JC), because of David my servant.**
- v36: Then the Angel of the Lord (The Lord of the Armies of Israel, he visible member of the Trinity, we know him as Jesus of Nazareth the Christ) Attacked (he is the one who is the ruler of the army of Israel), and he annihilated the bivouac of Assyria, 185, 000, so that when the Jewish garrison bivouacked near libnah awoke in the morning and assembled for REVEILLE at Dawn and behold, nothing was there but the corpses of all the assyrian troops who had died the night before.**
- v37: As a result, Sennach'erib King of Assyria with all his troops dead, broke camp secretly and retreated and returned and remained in his capitol city nin'evah.**
- v38: And it came to pass after 19 years while he was worshipping in the temple of Nisroch (Religious Demonism) his God, his sons, Adram'melech and Share'zer, assisinated him by the sword and escaped into the land of Ar'arat (Armenia) consequently Esar-had'don his son ruled in his place.**

Byron's response to Is 37:36

The assyrians came down like the wolf on the fold,
and his cohorts were gleaming in purple and gold,
and the sheen of their spears was like the stars of the sea,
when the blue waves roll nightly over deep galallee.
Like the leaves of the forest when the summer is green,
these hosts with their banners at sunset were seen.
Like the leaves of the forest when autumn hath blown,
that host on the morrow lay withered and strown.
for the Angel of death spread his wings on the blast,
and breathed in the face of the foe as he passed,
and the eyes of the sleepers waxed deadly in chill,
and their hearts but once heaved and forever grew still,
And their lead the steed with his nostrils spread wide.
but threw it there rolled not the breath of his pride.
and the foam of his gasping lay white on the turf.
and cold as the spray of the rock beating surf.

and there lay the rider distorted and pale.
with the dew on his brow and the rust on his mail.
and the tents were all silent and the banners alone.
the lances uplifted the trumpets unblown.

Other nations and generations have seen and understood it, NOW it is our turn.
The solution is also historically demonstrated if there are enough in the nation of a mind to warrant its accomplishment.

Ps 46:-2 (Women of the Choir, singing to Jerusalem)

- Title: To the director of music for the sons of Korah to sing, to be accompanied by the Young Ladies,**
- v1: Elohim or God (Jesus of Nazareth the Christ the visible member) is to us a fortification, our security, he is a help in times of adversity, he has always been tested and proven to be faithful to us.**
- v2: For this cause we will NOT fear, when the earth is caused to change, and when the mountains quake into the heart of the seas (natural disasters).**
- v3: His (Sennach'erib) armies (waters) shall bellow a war cry (to inspire fear of them) and boil with anger (which they had done) Selah! (Think about it, give it serious thought).**
- v4: A River of Doctrine (taught by Isaiah) whose channels shall cause happiness to the city of God (Jerusalem), the holy places of the Most High God (Temple with the true place of worship)**
- v5: Since Elohim is in the middle of her (Jerusalem) , the Lord will help her, and she will not totter nor file under the 5th cycle of discipline, the Lord (Elohim) will help her when the morning dawns, and the gentiles (assyrian army) will utter their great battle cry, and they will cause kingdoms to tremble, but he, the Lord JC will utter his battle cry and the earth will be dissolved.**
- v8: The Lord of the Armies is with us, an impregnable fort is the God of Jacob, selah! (think about it); fall in and pass in review or march in review, who has caused annihilation in the land of Judah, or who is responsible for this punishment, JC who causes wars to cease to the end of the earth, he smashes the bowl of the assyrian infantry and cuts to peaces their spears, he destroys the war chariots, he burns them with fire, cease striving (relax and trust the lord) and know that I am the lord, I will be exalted among the nations, I will be exalted in the Land**
- v11: Therefore so decreed the lord concerning the King of Assyria Sennach'erib, he shall not come into the city of Jerusalem nor shoot an arrow there, nor assault it with a single shield, he will not build up an assault or mount an attack against Jerusalem, he will NOT be successful.**

Examine your history books today and see what can be found of the descendants of the Assyrians. We should consider this in our foreign policy toward Israel. We should consider this in our personal policy toward God. He has told us and those before us:

Do not fear for I am with you, do not constantly look around you for I am your God. I will strengthen you, I will help you, surely I will uphold you with my righteous right hand.

IF we warrant his help and intervention. WHAT DO YOU THINK?
