

A RESTRUCTURED Prayer for Our Nation in 2001

Almighty God I kneel to you in supplication and humility and ask to be a part of the instrument of Your fury in smiting the evil forces which have visited death, misery, and debasement on the people of the earth, even and especially those in this nation today. I recognize that I personally and my nation today collectively have failed you miserably and totally and we deserve nothing from you but discipline and destruction. I ask for your divine consideration NOT on the basis of anything which I (or my nation) have done, recognizing that I deserve nothing from you. I ask on the basis of who and what you are and on the basis of the provision you have made throughout history to preserve the doctrines of your thinking in every category. I ask on the basis of my status as a Christian and Believer in Jesus of Nazareth the Christ, YOUR provision for humanity as a means of salvation. Be with me God when you place me according to your design and will into this struggle as your ambassador on this earth. Provide me with the remembrance of the pertinent information concerning my conduct and function as your tool. Protect me from enemy fire from all quarters and give me the courage to face and over come it in every category. Make my skill sharp my courage strong and my desire indomitable. Give GRACE strength to my arms so that I might fight in your name for the freedom and dignity of mankind and let the enemies of my nation both internal and external flee in fear and those who have lived by the sword turn from their violence and from the sword lest they perish by the sword at my hand and the hands of your other faithful Believers who act as an instrument of your divine justice. Oh God the Father of my lord and savior Jesus of Nazareth, the Christ, please! allow your overruling will be accomplished in and by means of my life and help me to serve you gallantly and to be humble and without arrogance in victory which will occur according to your plan and will. I ask all of this for myself, my nation, my family, and friends in the name of my lord of savior Jesus the Christ.

Amen (I Believe and have CONFIDENCE in it).
