Dear Carolyn:

On behalf of the National AAHAM leadership team, we would like to thank you and the Keystone chapter for your generous sponsorship of our 2010 Legislative Day, held in the Nation's capitol, April 21-22.

We were pleased to have over 80 delegates participate in the event. As you know, with the recent passage of the Patient Protection and Affordable Care Act (PPACA) it was an interesting time in Washington. During the event our group was able to meet with a number of Congressional representatives and was able to gain valuable knowledge from key healthcare reform speakers. AAHAM is becoming recognized as a leader in healthcare administrative and revenue cycle issues on the hill. We should all feel proud.

We appreciate your continued support and look forward to your sponsorship again at our Legislative Day event 2011. We could not accomplish all we do without the support and generous contributions like yours. Thanks again for your support!

Sincerely,
