

27 April 2009

Keith Beck, CPAM, President
The Keystone Chapter

Dear Keith:

On behalf of the National AAHAM leadership team, we would like to thank you and The Keystone Chapter for your generous sponsorship of our 2009 Legislative Day, held here in the Nation's capitol April 15-16.

We had a record attendance of 104 delegates and they were able to meet with many Congressional representatives from the United States. We accomplished our goal of having the majority we visited verbally agree to support four key issues and to send a letter to DHHS Secretary Sebelius urging their adoption.

We hope that you will consider sponsoring our Legislative Day event again in 2010. We could not accomplish all we do without the support and generous contributions like yours. Thanks again for your support!

Sincerely,
