- 1*** Above models are 240 volt; for 480 volt models add 10%
- 2*** Multiple motors equaling up to twice the horsepower can be connected using boosters.
Consult factory for price of converter that has multiple automatic start control.
- 3*** Regular start motors include hydraulic elevators and above ground water pumps.
- 4*** Heavy start motors include deep well pumps, air compressors, refrigerators etc.
Consult factory for price of motor starters installed in the control cabinet.
- 5*** For outdoor NEMA 3R converters add 20% to above prices.

PRICES ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE. CUSTOMER MUST PAY ALL SHIPPING AND HANDLING CHARGES.
