Order Processing: When the author has received the merchant’s order the author will develop and submit an invoice to the merchant that includes the shipping cost. Once the invoice has been paid by the merchant and the payment noted on the invoice is paid to the author’s “Dr. John T. Whiting” PayPal account the order will be placed for production and shipping to the merchant’s address noted on this order form. Shipping to be paid by the merchant based on the number of books ordered as noted below.

Note: Shipping for hard cover books may take up to 3 weeks to be produced and shipped. Paperback books may take 10 days to be produced and shipped.
