 - A. P&Z Committee will add all board members to its email list.
 - B. P&Z Committee will call a Planning and Zoning meeting to discuss specifically the issue of density in all its facets - conversion of one-families into two-families and two-families into three-families; condo and other multi-unit developments; illegal rentals throughout the West End and the fairness of reporting or opposing some, not others; accessory dwelling units; financial impact on residents of zoning decisions; fairness to homeowners, etc. All board members will be encouraged to attend.

The Notice for this meeting includes all Board Members, which addition is a permanent change to the distribution list. At this meeting we shall discuss

Number 2 of the Board's charge to us:

2. Naming a Secretary of the P&Z Committee. Doings of this Committee need to be reported to the Board, as well as to the General Membership (email and print newsletters). It would be helpful if someone agreed to take minutes and submits reports. Please let me know if you are willing to take on this responsibility.
