

Welcome to the Instructional Division of our basketball program! Volunteers work hard to make this a successful learning experience, and so we appreciate your support with the following:

We are here to support your child as much as possible. Any concerns about your child should be shared with his/her coach privately, or you may speak to Melanie Escoto, our in-house supervisor.

All coaches have submitted a written application, have undergone a background check, and have met the requirements for "Safe Environments" put forth by the Archdiocese of NY. Any concerns about any of our volunteers should be emailed to scyobbwebregistration@comcast.net, and the Tracey Bause, the Director, will get back to you as soon as possible.

Please make every attempt to have your child at the assigned gym on time.

Parents cannot be in gyms during practices or games. Once games begin, you can enjoy watching your child in the spectator section.

All children who are not playing basketball must remain with their parents at all times. Children cannot be in hallways unsupervised at any time.

Only program balls are allowed in the building. Please leave personal balls at home.

Players must bring water bottles only, and should wear sneakers, black shorts, and their team t-shirt for games.

Referees are in control of the game, and their judgment should not be questioned. Any disrespectful behavior towards referees or coaches may result in a game suspension. Please remember we are a CYO program, and good sportsmanship and proper conduct need to be modeled by all adults.

All practices and games take place at SC gym unless notified in the schedule. When teams are at Fishkill Plains gym, it is for practices only, given the limited space.

This schedule is subject to change with prior notice. In the event of a cancellation, you will be notified by email, so please check regularly. It may not be possible to provide make-up dates.

When schools are closed, or Wappingers Schools cancel weekend activities, our basketball program is closed.

Please remove all garbage and leave the school cafeteria clean upon your departure. Failure to do so may result in a complaint by the school, and then we are forced to ban food and drink in the spectator section.

The front doors at St. Columba School must remain locked. If there is no gym coordinator available, please assist us in letting basketball families in as needed.

No one may be in the school past the bathrooms. We are guests of the school, and must respect the building.

Thank you so much for your cooperation! When the above is supported, we all have a more enjoyable season!

BEGINNING BASKETBALL GRADE 1

CLINIC DATES	LOCATION	TIME
11-2	Fishkill Plains	9-10am
11-9	St. Columba	8-9am
