Advocate helped Jewish War Vets event

From the movie "Above and Beyond"

Please accept our sincere thanks for the wonderful article about our Post and our showing of "Above and Beyond" at [Congregation Mishkan Tefila](#) on April 26. ("Documentary tells of American Jewish pilots fighting for [Israel's](#) independence," April 24). The film, witnessed by an overflow crowd of 140 people, was so well received and enjoyed by all. One woman told me that the movie brought tears of joy and happiness to her face.

Susie Davidson, your reporter, did a magnificent job of describing the film and commenting about our Post and reflecting my feelings. Our Post's veterans were so very proud of what our fellow Jewish war veterans did, not only for our beloved country, but for our State of [Israel](#) as well. It was remarked that these Jewish pilots played a major role in Israel's winning her 1948 fight for freedom.
