

NEW ZEALAND RED CROSS POSTCARDS

From Barry Pawson

These 2 cards were amongst the correspondence of a Mrs D K Griffiths of 4 France Street, Oamaru, N.Z. They came from a large accumulation of correspondence kept by the family since the war. It was acquired by a stamp dealer and it is thought these were the only two cards found with perfin.

The first is dated 18 OCT 1941 with perfin N3760.07 on 2d orange (light or dark?).

The second is dated 9 FEB 1945 with perfin 3760.01a on a 1d pale red. The cards give one or two new pieces of information for our records.
