
THE PERFINS CLUB LIBRARY

(Revised August 2002)

Library Rules

Any member in good standing may borrow material from The Perfins Club Library. Additionally the Library will provide photocopies of any material from the Library to any member anywhere in the world at the rate of US\$0.15 per page plus the cost of postage. The conditions for use of the library are:

- Requests must include your Perfin Club membership number, legible address, phone number and e-mail address if available.
- Materials may be borrowed for up to 30 days; returns must be made promptly.
- Borrowers must pay all shipping charges. The librarian will pay postage on shipments to borrowers. Borrowers must include that amount of postage when returning the material plus \$1.00 for the cost of the mailer.
- Borrowers must take every precaution to protect Library material while it is in their possession, and must pack it securely for the return trip to the Library.

A code number is assigned to each item in the Library. Please use the code number when requesting material. Clip files include miscellaneous clippings, old worksheets, and/or articles about a particular topic or country. Current worksheets are drafts of potential catalogs. They are not final listings. They are constantly subject to change. If you have material not included on a worksheet, please contact The Foreign Catalog Editor, John Randall, 2540 Carquinez Avenue, El Cerrito, CA 94530-1548 USA.

Requests will be filled as rapidly as possible. Obviously, some volumes are more popular than others are and there are waiting lists for them. That's why it is so important that you return material promptly. Special "library rate" may be used to return material to the library, but the package must be clearly addressed to:

The Perfins Club Library
PO Box 3069
Ventura, CA 93006-3069 USA

Suggestions that will keep you in good standing with the Librarian and the post office:

- Don't include personal notes when you return material by library rates. The United States Postal Service (USPS) frowns on such and they do check.
- Please make sure you return the library charge sheet included with the shipment when it is sent to you. That's how the Librarian keeps up with things.
- Please make sure to reimburse the Librarian for the postage used on the shipment to you and to include \$1.00 for the mailer. Reimbursements in U.S. funds or U.S. stamps only. Please do not send foreign stamps.

Other than a small charge for the cost of mailers and upkeep, The Perfins Club does not make a service charge for use of the Library. Your help in making sure that the library material is packed carefully, returned promptly, and protected while in your possession is appreciated.

Address all requests and correspondence concerning the library to:

The Perfins Club Library; Douglas Turner, Librarian; PO Box 3069; Ventura, CA 93006-3069 USA
or via internet to Doug at dturner@west.net.
