

## A Northern Trust Update

Ian Longley (#3382)

In the July/August 2002 edition of the bulletin at page 90 Joe Laura queried whether Northern Trust was located at the corner of Second Avenue and Fifteenth Street. The company for whom I work use Northern Trust as it's Global Custodian and I understand that the building shown is Northern Trusts Head Office at South LaSalle in Chicago where they have been since 1904. Apparently the building remains almost identical subject to a much more crowded skyline around it. As yet Northern Trust has not been able to shed any light on why the perfin would be '2..15'.
