

MG/237

5 December 1958

Parts List
Amendment No.

PMG/300

Oil pump assembly introduced with suction pipe moved to a more forward position. Oil strainer modified to suit.

Interchangeable in sets.

PMG/292

To secure rubber pipes

Each pipe now clipped to petrol pump connection.

Earlier cars may be modified.

PMG/312

To reduce battery charging rate

Larger diameter dynamo pulley and longer fan belt introduced.

Interchangeable together.
