

Events

This year we will continue to run the full programme of roleplaying associated with Kapcon, but we have also added a number of new events.

ROLEPLAYING

We will run 3 x 3 hour roleplaying rounds on each day. What we can offer will depend on what GM's are prepared to run. We are currently seeking more GM's to run games at Kapcon XI so if you are interested please let us know.

LIVE GAME

Kapcon's reputation for excellent live events on a grand scale will continue this year. Be prepared to travel back to 1920's Wellington. More on this will be available soon.

GUEST SPEAKERS

This year we also have the following guest speakers who will talk about their experiences:

Dale Elvy: Author of "First Hunter", a fantasy novel and the first part in The Shinto Spirit Trilogy published by HarperCollins.

Conan McKegg: Freelance RPG writer and author of "Vimary Burns" for Tribe 8 published by Dream Pod 9.

Scenario Design Competition

New this year is the Scenario Design Competition. A chance to enter a scenario of your own devising, prior to Kapcon and have the chance to win prizes and the recognition of others for your creative efforts.

Check out the details on our Scenario Design Competition website: www.kapconsdc.iwarp.com
