Neptune's Nosings

Well, I have to say, as I approach my 3rd year of life-----I "may" still have a lot to learn! We had a really wonderful Christmas Holiday at my house, even though those pesky (if somewhat perfect) Chihuahuas were in the mix of people. It's incredible how many people come in and out of this house at times---and Christmas is one of those times!! Everyone (with few exceptions) thinks I am "wonderful". They feed me little treats and even let me sit up on the couch with them (all 40 Lbs of me). I was truly on my best behavior. How do I know this??? Well, I measure this by how many times I am yelled at, and they were few and far between. So there! I got presents!! Lots of them, my favorite being a Canadian goose! I loved it so much, I wouldn't put it down, as I tried to "taste" the other stuffed things. Try doing that with a mouthful of Canadian goose. It wasn't easy. I was in a Christmas fantasy---WOW! Mom had to get me a bigger toy box---life is good!

Then after Christmas went by, I got another unusual treat. Mom and Dad let me come with them when they went to "Petco", some kind of pet "heaven", that smelled just INCREDIBLE! They let me roam around---down the food aisle, down the treat aisle, and even to the counter where all my tasty, familiar doggie biscuits come from. It was great---until they took me to those packages that had some nasty-smelling things, like that God-awful sweater I have at home. I prayed right there and then they wouldn't take home another one. They didn't. They just wanted to torture me a little. All in all, it was fun, though, especially when the lady said I could have free treats as we were leaving. I was thinking how "far" I had come in just a short time from being unruly to being a real companion for my Mom and Dad.

Hold that thought, and remember that sometimes us dogs are ALWAYS a "work in progress"!! See, we had another party at my house right after my outing to the pet store. This one had something to do with burning the Christmas tree, and inviting mostly family and extended family over to watch. ???? Yea, that's what I was thinking. Anyway, this time the table was pushed to the wall and set up with more food than I could imagine. When everyone came in from watching the tree burn, they filled up their plates and then sat around---everywhere---eating! I don't know what came over me, but I completely lost my manners. I was in everyone's face, trying to get their food! If you think Mom and Dad were mad, you would be so right. They even put me outside for a while, but I guess they thought better of that when they realized I was trying to come through the kitchen wall. It was like a "free for all"; people trying to protect their dishes, some laughing, some upset, me jumping all over the place and Mom and Dad yelling, as politely as they could. Yea-----it was ugly. So much for putting my unruly days behind me. ANIMAL INSTINCT---and my love of food and people took over. My New Year's resolution---I will try to do better. Hope you are having as much luck with yours. That's all for now--

Love and Treats, Neptune,
AKA Neppie

Delegate's Report February 2007

Fresh from the January Full Board meeting: Linda and Roger went there to attend a committee meeting and brought back this report. There are still sites for NAFCAree 2007 available, but time is running short for reservations for at least one trip—to the Buffet Dinner and Show on Wednesday evening. We are mailing our trip reservation in this week, with another payment. Full payment is not due until the 1st of June. It's better to be safe than sorry.

Much of the report is on the 2 BIG events planned to celebrate NAFCA's 50th Birthday. (AMAZING!!). The weekend at Otter River is April 20, 21, 22nd. This is usually a work weekend, but the committee wanted all to know—just come, ENJOY, work or not—just be there to launch NAFCA'S 50th year with the spirit of fun and fellowship that started with a hardy band of campers there July of 1957!!! All the details will be in Chatter. We, your delegates, want to urge you to attend to show the support the Quahaug Chapter has always had for NAFCA. This is important, folks! It's 50 years!!! The other important weekend will be the July Birthday Bash at Mineral Springs CG in Connecticut --July 13, 14, 15, 2007. Again---MARK YOUR CALENDAS! This will be a great time!!

Hope everyone that was planning to go to the RI Dinner Dance and Quahaug Anniversary Party knows that the place is changed---from Newport Inn to Best Western (the same place we had it last year). This time we will be having the ballroom for our Saturday night festivities.

Just an observation, but it seems a lot of the older members of the chapter (I mean long in the chapter, not "old" in age) are not attending many meetings or even campouts. While we welcome with open arms the new members, recognizing that they are vital to our growth—we "miss" the regulars, who have been with us for ages. As I think back on NAFCA's long history, I see that many of the new members have no idea how long and hard "we" have struggled just to keep NAFCA afloat. That is the reason we care so much about this association, and maybe, that is part of what gets lost when older members drop out. Just to let you know, we sure would like to see more participation in ALL we do. There are MANY of us who try really hard to make this camping club work. It's nice to know our efforts are worthwhile.

That's about all for now-----

HAPPY CAMPING,

Dale

Congratulations!

Quahaug Questions?

Welcome to the first column of Quahaug Questions. This column will be a forum for all those questions that are asked and unasked. Questions may be submitted by email or by telephone. I will need to have contact information in case clarification is necessary and all questions will be posted anonymously.

As editor of the column, I will answer the question based on my experiences or I will solicit answers from knowledgeable sources within the chapter. The questions can be technical, winterizing questions, braking systems etc., to wagonmaster queries, or even as simple as how do I get involved. I hope to present different options for each question to try to present different views. The questions and their answers will also be posted on the website. This column is targeted not just for our new members, but also to our established members who sometimes would just like a discreet format to have the camping questions answered. Please help me make this the column all that I hope it can be. I will need your help to keep it bright and informative.

For those of you who might not know who I am, allow me to introduce myself. I grew up in Nafca. My parents joined in the late 60's. My parents are Jake and Barbara Glauben. We were members of South Shore #25, back when South Shore was the force to be had. My dad was a chapter officer and then a Mass. State Officer. My mother was a newsletter editor of the Mass Muster. We joined Quahaug when I was in high school. My parents best friends were Ken and Betty Corti and Bill and Marilyn Taylor. We were very active in the chapter and Nafca. When Colin and I became parents we knew we had to come home to Nafca and Quahaug chapter. I knew I wanted my children to experience the same love and supportive environment that I grew up with. That is what I love about Quahaug chapter and Nafca, every trailer is a safe house that my children know they can find supportive adults that care about their well-being. They say it takes a village to raise a child, my village is Quahaug Chapter.

I myself still can't refer to Bill & Marilyn Taylor as anything but Uncle Billy and Auntie Marilyn, Ken & Betty Corti are Uncle Kenny and Aunt Betty.

But, enough about me, this is your column for your questions. Let me know what is on your mind.

The meeting was called to order with the Pledge of Allegiance and a moment of silence.

New Members: None

Secretary's Report: A motion was passed to accept the secretary's report as printed in the newsletter.

Correspondence: A letter from Connor Hay was read. The letter explained about the People to People Student Ambassador Program, in which he is participating. His hope is to raise \$4000, so he can attend the program in Australia over the summer. After discussion of this correspondence, a motion was made to donate \$100 to People to People in Connor's name.

Sunshine Report: It was reported that Russ Peckham had Pneumonia, Mary Ellen Fischer had her wisdom teeth removed, and that Bob Hall is still at the Grand Islander Nursing Home.

The price for the rooms and for the dinner have come down. The dinner reservations are due to Norma Silvia by February 1, 2007.

Respectfully Submitted, Beverly Kelly
