## Are you For or Against the Death Penalty?

Written by Marie-Soleil Lemay-Couture

I made a survey to know if the boys and the girls are for or against the death penalty, 40% of the boys are for and 60% are against. For the girls, 20% are for and 80% are against.

I don't know your opinion about this subject but mine is that the death penalty is as stupid thing that just revenge the family of the victims of the presumed guilty. We can't know at 100% if the guilty person is the good one. Mistakes are human, so we can execute innocent persons and just after realise that it was the wrong person. If death is a reward, why would we reward the murderers for their cruel acts? The death penalty doesn't stop people from killing ; the rate of

Murder doesn't decrease therefore. The death penalty is in some countries used against the minor delinquents, we can't vote but we can be killed by the government. Is it fair? I don't think so, everybody can have the right to live his life even if he made cruel crimes ; it's in the charter of rights and freedom. It's a violation of the life right. It's a violation of life right. Everybody can have a second chance, killing the killer doesn't bring back his victims and doesn't help the family to forgive the killer. The legal murder or not of a person isn't a good solution to resolve conflicts. The victim's family would have the right to kill the guilty person to avenge death of the victims. My objective wasn't to make you change your opinion, but to make you think about the death penalty. Is it fair or not?

## Our school's Christmas Concert

Written by Aida Valevicius

As every year, the music students prepare a beautiful Christmas Concert. This year it will take place on Thursday December 16th at 7:30 pm. The students started preparing this concert pretty early, because it is a lot of hard work. They have to learn everything themselves and then put it together with the class. In this concert there will be songs, pianos, strings, and winds. You will also be able to hear known Christmas songs but there will also be other kinds of music. It's a very good thing to go see this concert because it will put you in a nice Christmas mood!
