Day Pass Patches include the large 16<sup>th</sup> CTC Patch and an Oval Day Pass Patch with a button loop.

## **WEBELOS:**

Webelos can attend with the entire Pack on a Day Pass as described above, ***OR***

Webelos may attend with a Troop that is attending the CTC Camporee for the entire Weekend. A parent may also attend with the Webelos if they choose to. Patches will either be as described in the Day Pass above, or as per the Weekend Troops below.

This is a great way to introduce Webelos to the Troop overnight Camping program. That is, for the weekend they will be part of a Troop. Past experience shows they will have a great time!!!! This also helps with youth retention.

## **TROOPS:**

Troops (and Crews if they wish to) may attend for the Entire Weekend and participate in the 530 Events. Invite Webelos to attend with your Troop. The CTC provides a GREAT opportunity to recruit Webelos into your troop. Take advantage of the opportunity. We offer Award Plaques to the top 4 Troops that have the ***most Overnight Webelos***.

Weekend Troops Patches include 1 large 16<sup>th</sup> CTC Patch and 2 Subcamp Patches. *Trade your extra Subcamp patch.*

Weekend Troops and Crews are eligible to earn the 10 Program Patches as per the Event Card requirements. The 10 Program patches that can be earned are included in the Weekend Fee. ***Add the 2 from above and the youth could get 12 patches in 2014.***

<b>Teamwork,</b>	<b>Subcamp Chariot Race,</b>	<b>Crafts,</b>	<b>Perfect Inspection,</b>	<b>&amp; Event Volunteer Patch.</b>

Older Boys in a Troop that have outgrown the CTC Program are ready to become STAFF. The younger boys will then get an opportunity to be a Leader within your Troops when the older boys move on to become CTC staff. Should the older boys (Venturer age) not want to attend the CTC at all, bring the younger youth to the Camporee. Can't stay for the Weekend? Bring them on a Day Pass. They will have a blast! ***The CTC is a once in a year opportunity. Don't miss out on the fun!***

## **STAFF: Troops / Crews / Adults- (Youth and Adults)**

We are unprecedented with ***Youth Leadership*** at this youth run Camporee.

**Crews:** For Venturers that would like to attend the CTC as Staff, we offer a ***Staff Subcamp Patch, a Staff Patch, a Staf Cap and the Large CTC Patch***. We also offer a meal plan that consists of ***Friday Craker barrel, Saturday Breakfast, lunch, supper, Cracker barrel and Sunday Breakfast***. The Staff Meal Plan may be purchased for..... (Between \$15 and \$25 TBD).

**Subcamp Staff:** - There are several youth positions available in the Subcamps for attending Youth. These youth normally attend with their Troops and stay in the Subcamps with their units. They get their patches with the Troop.... but also get a Staff Patch and a Staff Cap. Subcamp positions are shown below....

***Youth Camporee Chiefs, Sub-camp Chiefs, Event Area Coordinators, plus support youth on the Subcamp Staff Teams.***

This opportunity is great for youth that may have outgrown the event participation part of the program. Don't let the older youth get bored of the Camporee. They *will outgrow* the events / program and that is the time to become a member of our Youth Staff Leadership Team. Adults help as advisors, running event or as part of the Service Team. ***Staff souvenirs*** include a ***Camporee Staff Cap, a Camporee Patch, a Subcamp Patch and a Staff Patch***. The Staff fee is the same as the Scout registration fee.

**Crews and Teams** may stay in the Staff Subcamp. We have a "Staff Subcamp Patch" for those who stay in this Subcamp.

***Total Staff in the past: ~ 150 people - This includes Subcamp Staff, Crews in the Staff Subcamp, & Adult Staff.***
