Dear Sonja Goesseringer,

I would like to inform you that I will be closing my practice this June, 2013 to pursue another career.

I am well aware of how difficult it is to find an OHIP covered GP psychotherapist that you are able to connect with. I am more than happy to do whatever you feel is possible in order for you to find another therapist.

I have written to your original family doctor that referred you to me. If there is another doctor that you feel should know about my departure please do not hesitate to inform me of this.

If you would like to see me before my departure, please contact Leticia or Jill at the clinic.

It has been a tremendous privilege to have been a part of your care.

Yours sincerely,

Dr. Kimberley Barker
