SUPERBOY

KON-EL / CLONE OF SUPERMAN

CALLING Adventurer

HINDRANCE

Overconfident

Fatally Vulnerable to Green Kryptonite

Susceptible to
Quantum Energy (Magic)

Triggered Powerless when exposed to
Green Kryptonite & lack of a yellow
sun.

PERSONALITY Happy, giddy and free-
wheeling. Never a care in the world.
Sometimes he's "out there" - I mean
way out THERE!

HISTORY Superboy is a clone who was
created by Project Cadmus when
Superman was presumed dead.
Although Superboy lacks the sternness
and understanding of his "daddy", his
enthusiasm and cleverness make up
for it on most adventures.
