EJ. Got your scribe of Oct 1st. Hope you heard the boop and Hoot is in. They are asking for his resignation. Got overhead on a plane about the pepper spray UPEC thing + now they want his head in his asshole. Hey its part of jail. They snoop just because they have no lives of their own. So they live their lives through ours. So did your Canadian citizenship get straighten out or what? Sure is taking them some time huh?

So when do we get to an INS Holding Center. Do the Canadian consulate actually helping you get back to Canada or what? - will they provide proper papers?

It gets tough watching people come + go + you still in. I watched sex offenders + murders come + go while I did 20 kalendars for pot. I guess Freud is a diggie in Aysia huh? I guess the Yankees use Diesel things on their women too huh?

Viagra - who needs Viagra if you got a good woman?:

Did Rittenhouse come through for you or what?

I wish the world would boycott all US products - like the world should isolate the Yankees. Let them eat dog shit - the whole world hates Americans - shit like Yankees go abroad + try + tell Europeans they are Canadian.

Yankees are like a disease on the planet - we all be so much better off without them! Business try + Bureaucrats

(2) got to speak to E. Fy Wynn + go to female joints, bath + school + a church dennin. Go figure!?
Dark Money Seventy - She's a pidgin not
Mother-fucker. I would love model her but the
cuisine :(Get your Cavadin ass back home
+ tell the Yonks + and your asshole :(Yonks are so
full of themselves. Of course they think they are the
strongest nation on earth, but they really are bullies
+ childish punk-asses.
psychic readings - Love those Blue Eaters
