MESSAGE FROM THE PRESIDENT

Dear Members:

As a Texas Longhorn Breeder, I love this time of year. It is a daily adventure to go through the pastures and check out new colorful calves! Having Texas Longhorns is exciting and brings excitement to all the Sales and Shows during the year! Whew!!! What a year it has been! The Sale and Shows circuit makes for a very busy time for longhorn breeders and enthusiasts, and it gets more exciting and busier as time moves on!! As an affiliate President, I have loved every minute of this past year and look forward to many more shared good times with longhorns, good friends and making lasting memories.

As we reflect on this past Spring and the events --- The Revelry and The Gathering along with The Heritage Show has to come to mind. What an event it was!!! Thanks to all TLBGCA and TLBAA members with their generous time, effort and devotion that help make these events a success. I personally want to say Thank-You and we will continue to build on the future with the success of 2006.

Another outstanding event this spring sponsored by the TLBGCA was The TLBGCA Spring Show. I offer congratulations to Bobbye DeBose on a job WELL DONE--- You did it again!! This was an outstanding spring show with superior show cattle. The number of entries far exceeded last year and also up in attendance numbers. The week-end was a big success!! Thanks for superior longhorn entries, good friends, delicious food (Thanks to Lois Dunbar) and many shared good times.

The Number 1 responsibility of the TLBGCA affiliate is to protect and preserve the posterity of the unique Texas Longhorn. Working together as a team through sales, shows, field days, etc. and always have smiles on our faces—these goals have certainly been accomplished and with doing so, the TLBGCA is positioning itself to better serve the membership.

Again, I want to say thank you to all the volunteers for the TLBGCA events—Success is not possible without all of us working together for a common cause in doing so, have a Great Time! This attitude makes All Things Possible.

I sincerely hope each one of you will make an effort to attend as many events as possible and become more active in the TLBGCA family.

Sincerely,
Larry Smith, President

Dear NASA/CCISD Longhorn Project Breeder Sponsor,

On behalf of the NASA/CCISD Longhorn Project, I would like to take this opportunity to extend my sincere appreciation to each of you. Due to the major partnerships that include CCISD, NASA, the Houston Livestock Show the TLBAA/TLBGCA and the generous commitment of the individual breeder sponsors, this unique educational program is unsurpassed. Without your individual commitment this program would not be possible.

We have had a fabulous year that included traveling, competing, exhibiting, winning and losing which all played a very important part in providing a valuable educational experience for our students. We hope that you have been pleased with the program's progress and invite you to share any constructive input that will help us continue to grow, making this a positive partnership for all.

As we have completed the World Show, and begin planning for next year, I will be in contact with you to determine the destiny of your longhorn cattle. Please contact me if you are wishing to remain a breeder sponsor for the 06-07 school year and/or if you know of any new TLBGCA breeders that would like to consider learning more about the program. A special thank you is extended to George and Peggy Wilhite for donating a fabulous new Trophy Steer. He is doing very well and is an exciting addition to the Trophy Steer herd.

Again, thank you for such a wonderful year. I have thoroughly enjoyed getting to know each of you and certainly share your "love for the longhorns."

Sincerely,

Cindy Schnuriger
NASA/CCISD Longhorn Project Manager
