19. Are there any suggestions or additional comments you have for us in future planning?

Music.

Send lesson plan to facilitators prior to day. Plan blankets to sit on.

The Wolf gang was very impatient, couldn't sit; still may have to add things to keep shorter attention spans.

Start a little earlier and include a morning craft.

The boys need more hands-on activities.

Always need a place to escape from the weather.

I would like to see more Scouts from all over the Fort Worth Diocese to attend.
