In all circumstances however, the cost of multiple frames will be less than the cumulative cost of individual frames. Please contact us before ordering for an exact quote on postage costs.

All frames will be shipped within 24 hours where available. If a frame is not available, we will endeavour to contact you within 24 hours to offer a refund or replacement.

Frames will be packed in Bubble-wrap to keep your choice of animal safe during his journey.

## Guarantee of Quality

All of our frames are made from powder coated metal, and copper for the decorations, where appropriate. Due to the nature of these frames, there might be small, sharp areas. It is recommended that adults supervise children when planting these frames, and gloves are also used during planting.
