This list is compiled to make it easier for you to collect John Wayne movies. When you collect the movie, the column at the right is for you to check off as you get it in your collection. All movies are in their original titles except "In Old Oklahoma" which the release title is given as "The Duke in Old Oklahoma". "The Duke in Old Oklahoma" was also released as "The Duke and the Wildcats" which will be easier to find. The other titles of some earlier movies that you might find are just DVD color release names. Also some movies may be found in some boxed sets. If you have any questions feel free to email me at jeff@jeffsplace.com but give me time to respond. I hope this helps you. Good luck!
