

Dear Tito and Tita,

Greetings from the Philippines!

The Great Adventure Tour (GAT) in the Philippines for Youth for Christ members worldwide has been on going for three consecutive years. For the past years, there have been more than a hundred YFC delegates from North America, Europe and Australia who have come over to the Philippines to experience this memorable event.

GAT definitely is a time for spiritual growth. It is a time for fellowship with other brothers and sisters in the community. It is time to explore the beauty of the Philippines. All those who have participated in GAT came home empowered to serve God in many ways through YFC. We pray the same for this year's delegates.

We are pleased to announce that this year's GAT is entitled **G-FOURce**. We invite your area's YFC members to come over in Manila for this exciting event. It will be on August 1-14, 2001. Attached is the schedule of activities.

The Registration Procedure is also attached.

We look forward to hearing from you and responding to our invitation.

In Christ,

Signed
Cocoi Javier
G-FOURce Team Leader
